

Mobilize to Immunize

FREE immunizations for kids 2 years old and up, from 3-6pm at three locations!

Immunizing your child is one of the best things you can do to safeguard their health. Immunizations prevent dangerous, sometimes life threatening diseases such as:

- Polio
- Measles
- Rubella
- Diphtheria
- Pertussis (whooping cough)
- Tetanus
- Mumps
- H.influenzae type b
- Hepatitis A & B
- Chickenpox
- Influenza
- Meningitis
- Pneumonia
