

Camp KoralKids CIT Program

To qualify for the Camp KoralKids CIT program candidates must:

1. Have been a camper within the last year or two.
2. Be 12+ years old as of June.
3. Enroll in Camp.
4. Have good control of their diabetes.
5. Perform blood checks and insulin injections correctly.
6. Understand and follow a diet plan.
7. Serve as a good role model for younger campers.
8. Have a positive attitude.

CIT Responsibilities:

1. CIT's are to assist, as well as learn from camp staff members.
2. CIT's are to assist counselors with blood sugar checks, injections, and getting campers ready for snacks, lunch and activities.
3. **All CIT's are expected to attend ALL CIT leadership sessions.** (These sessions will focus on building leadership, supervision and people skills.)
4. CIT's will assist room counselors with organizing and implementing room activities. CIT's are encouraged to share ideas and suggestions for room activities and other fun and educational games.

Camp KoralKids CIT Application: A general Camp application must be completed in addition to this application.
