

# CMS-SOUTHEAST FLORIDA NETWORK TITLE 21

The CMS Title 21 Program is not a Medicaid program; therefore eligibility should not be verified through the HDX and/or the MEVS systems. Please obtain a copy of the enrollee's card, see sample below. The enrollee's card will indicate what sub-network they are assigned too. You may verify eligibility by contacting the customer service department at 1 (800) 988-5640 for enrollee's assigned to the BH/Broward Health Sub-network and at 1 (866) 202-1132 for enrollee's assigned to the SBHD/ Memorial Health System Sub-network. The contact numbers for customer service and authorizations are located on the back of the cards.
