

Instructions for Vimeo Videos

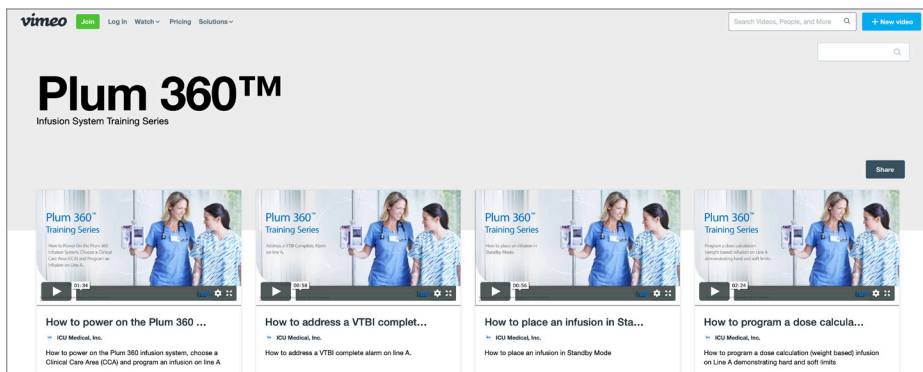

We are providing access to the Plum 360™ training videos while we develop a more permanent destination on our website. You can access the 12 training videos via this link:

<https://vimeo.com/showcase/plum360>

Once you click the link, you will see this screen below. Enter the password of **plum1** (lowercase p).

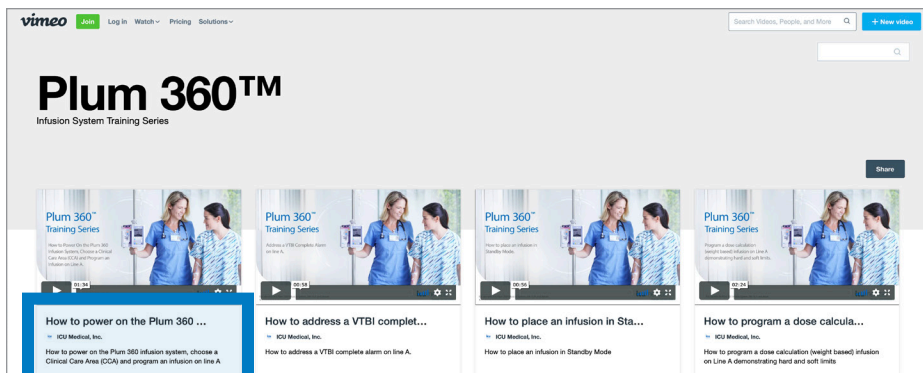

You will be taken to this screen below:

You will have the option to view the videos from this site, or you may download them and place them in a location of your choice.

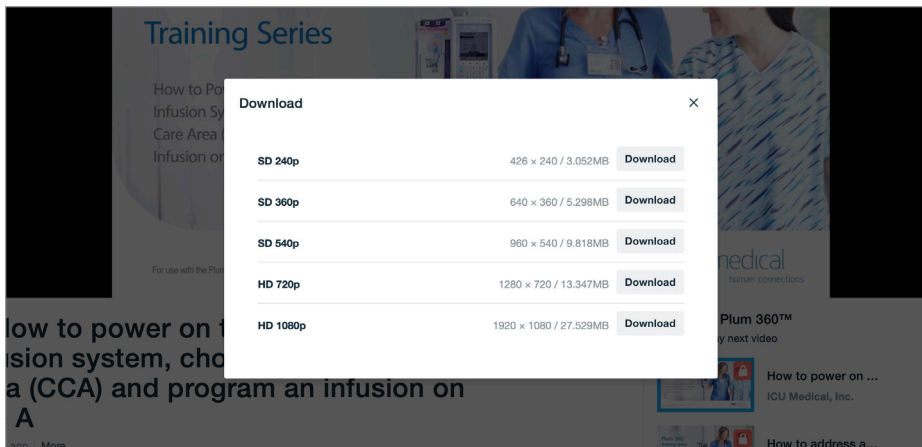

To download the video, click on the video name—see blue shaded box below.

Click Download – see blue shaded box below.

This screen will appear. We suggest 1280 X 720.

Save to the location of your choice.

We hope that you will only share this link and password with your team members that need training.
