The vision of Broward Health is to provide world-class healthcare to all we serve.

The mission of Broward Health is to provide quality healthcare to the people we serve and support the needs of all physicians and employees.
North Broward Hospital District Board of Commissioners

Thank you to Commissioner Debbie Kohl for her service as Secretary/Treasurer, District 2 during fiscal year 2014.
Examples of our commitment to improving the community’s health abound. In fiscal year 2014, Broward Health introduced the Men’s Health Program and Broward Health Imperial Point’s “Man Van,” a mobile unit offering 30-minute health screenings for men; Broward Health Coral Springs and Broward Health Urgent Care introduced the Head Strong Concussion Program to provide patients with a baseline concussion test prior to sustaining any head injuries; Broward Health North again held the annual Florida Stroke Symposium where some of the nation’s leading experts presented the latest techniques and best practices in stroke care; and the Drowning Prevention Program expanded to Broward Health Medical Center and Broward Health Coral Springs.

Broward Health continues to invest in its facilities and services to meet the increasing needs of the populations we serve. We’ve opened a Broward Health Urgent Care in Plantation and a new joint replacement center at Broward Health Imperial Point; began a major renovation at Broward Health North to modernize the facility and improve patient access; and opened Maternity Place at Broward Health Medical Center with 39 private, post-partum suites. Broward Health Foundation’s “It’s All About KIDS” campaign is also well on its way to raising funds needed to renovate and expand our children’s hospital, including the Neonatal Intensive Care Unit (NICU), the Pediatric Intensive Care Unit (PICU), and the Pediatric, Pediatric Acute, and Pediatric Hematology-Oncology Units.

Broward Health’s ability to grow is also supported by community grants, which are secured to help fund new services, facilities and technologies. Broward Health was awarded more than $11.1 million in grant funding last fiscal year—a 16 percent increase from the previous fiscal year. Details on what these grants helped us to build for the community can be found later on in this report.

The past year also marked an important transition for Broward Health, as Frank Nask, who served as Broward Health’s President/CEO since 2007, announced his retirement following a tenure highlighted by significant accomplishments. I assume leadership of Broward Health with our system in excellent financial health, with a continually reducing millage rate for taxpayers and a consistent record of providing tangible benefits to the community.

I am excited for the future of Broward Health as we continue to pursue our mission of providing world-class healthcare to all.

Sincerely,
Nabil El Sanadi, MD
President/CEO
BROWARD HEALTH 2014 STATISTICS

Jasmin Shirley, Broward Health Community Health Services Vice President, was honored with the Glass Ceiling Award from the National Diversity Council – March 2014

Dr. Anna Hayden was appointed by Governor Rick Scott to the Board of Osteopathic Medicine – November 2014

Opened Bernard P. Alicki Health Center to provide healthcare to the homeless of Broward County – January 2014

Successfully enrolled 49% of Broward County residents who signed up for The Federal Health Insurance Marketplace during the first enrollment period – October 2013-March 2014

Retained 100% of all local, state and federal grant funding

Met and exceeded 94% of all Quality/Patient Safety Outcome Indicators
Broward Health Foundation is the fundraising arm of Broward Health. Its mission is to improve the health of the community by providing resources to promote, support and enhance Broward Health’s programs and initiatives.

- 2014 was the most successful fundraising year to date for Broward Health Foundation, thanks to the generosity of several businesses, organizations, private donors and Broward Heath employees.

- The Foundation saw a 50% increase in contributions over last year and more than doubled the amount raised just two years ago.

- Broward Health Foundation is poised to raise $10 million annually within the next two years.

2014 marked a milestone year for the Broward Health Employee Giving Campaign. In just five years, employees have contributed more than $1 million to the Foundation.

The Salah Foundation Broward Health Ball presented by One Beat CPR + AED raised more than $850,000 - benefitting initiatives at each Broward Health hospital. – May 2014

Launched the new A.J. Acker Virtual Hospital at Broward Health North. A.J. Acker’s extraordinary gift made this simulation training program a reality. – April 2014

Renovation and grand opening of the Adult Infusion Center at Broward Health Medical Center. This much-needed, $1.8 million renovation was made possible by the generosity of several donors, including the Salah Foundation and Lorraine Thomas. – April 2014
In addition to hosting and participating in numerous community events, Broward Health worked to secure more than $11.1 million in grant funds during 2014; a 16% increase from the previous fiscal year. Approximately $2 million in new funding was awarded.

Some highlights include:

- $75,000 from the William Randolph Hearst Foundation for a new physician simulation lab for physician residents.
- $241,400 from the Health Foundation of South Florida, Fred Millsaps Dental Fund, Martin Youngstrom Foundation, Bachelor Foundation, Community Foundation of Broward, and the Sunflower Circle of Friends to open the Dental Clinic for Special Needs Children at Children’s Diagnostic & Treatment Center.
- $140,214 from the Health Resources and Service Administration for Certified Application Counselors that have assisted clients in enrolling in the new Health Exchange.

Many grants help provide treatment assistance, enhanced care, and help in implementing new programs that improve the health and well-being of the community.
The Broward Health International program provides Broward Health’s signature, world-class healthcare to patients from around the world—while bringing millions of dollars back into the system to help better serve our patients here at home.
Broward Health International Program Services:

- Physician referral
- Medical documentation assistance
- Organizing physician and hospital visits
- Air ambulance coordination
- Travel planning assistance for family members
- Hotel accommodations
- Translation services
- Financial arrangements

The International Assistance Group (IAG) selected Broward Health as its first healthcare system Preferred Partner in the United States, joining IAG’s exclusive worldwide network of assistance companies, specialized providers, healthcare institutions, roadside services and other organizations within the travel assistance industry serving more than 100 million beneficiaries worldwide.

Broward Health International was named Medical Provider of the Year at the 2013 International Travel & Health Insurance Journal Awards* in Vienna, Austria. The awards honor companies specializing in travel assistance and insurance, air ambulance operators and healthcare organizations.
