DISCUSSION AGENDA

14. Committee and Board minutes – Ray Berry

Secretary Berry shared that in the past, meeting minutes were extensive and often scrutinized by several individuals. He preferred they be brief and to the point. Mr. Santorio further listed how Broward Health enhanced transparency through several methods including transcription services, live streaming of every committee and board meeting, and the recording and archiving of meetings that could be reviewed on the organization’s website. Mr. Santorio further shared that Broward Health’s bylaws are governed by Robert’s Rules of Order who prescribes minutes should be transactional in nature. Chairman Klein agreed that the last minutes that were approved were appropriate. Commissioner Angier requested that transcriptions be kept separate and not necessarily become part of the meeting books. Commissioner Gregoire shared that the strength of the new format is that one could always look back to see what was accomplished and what actions were taken that become policy or procedure.

COMMENTS BY COMMISSIONERS

Closing comments were given by the Board.

ADJOURNMENT 6:47 pm

MOTION It was moved by Commissioner Angier, seconded by Commissioner Ure, that:

THE BOARD MEETING BE ADJOURNED.

MEMORANDUM

TO: Board of Commissioners
FROM: Gino Santorio, President/CEO BH
DATE: April 24, 2019
SUBJECT: Approve the installation of security fencing and restricted access gates around the parking garage.

BACKGROUND

Broward Health North’s parking garage is not secured or fenced and provides open access to the public. This could pose a safety risk insofar as Broward Health North is located in Deerfield Beach, a heavily-populated urban area with a crime rate twenty-one percent (21%) higher than the national average. A taskforce, made up of staff members, was established to create an action plan to better ensure the safety of Broward Health North’s employees and physicians. Part of the action plan includes a plan to properly secure the parking garage and prevent unfettered public access. Such security will limit access only to employees and physicians. Patients and other visitors will still have alternative parking areas on Broward Health North’s campus.

ACTION/PROJECT DESCRIPTION

Following approval by the Board of Commissioners, Broward Health North will proceed with engaging and negotiating a contract with Engle Construction, the lowest qualified bidder pursuant to a Request for Proposals (RFP) for installation of security fencing and restricted access gates around Broward Health North’s parking garage.

FINANCIAL/BUDGETARY IMPACT

Capital expenditure will be $300,000, which is budgeted in FY19. Annual depreciation will be $12,000.
JUSTIFICATION

Staff members have observed people loitering in the parking garage. Following a number of complaints by Broward Health’s employees, Broward Health North felt it imperative that this project proceed to better provide a safe workplace environment and campus. In addition, since the employees’ cars are parked for long periods of time, they are an easy target. Secured fencing and gates and restricted access will ensure the safety of our staff and their cars while on campus.

Although all issues cannot be entirely eradicated, by enclosing and restricting the parking garage, Broward Health North can offer better protection and assurance to its staff and their valuables. Further, securing the garage will permit security to lower their presence within the garage and increase their presence at other locations on campus ensuring even better security and safety for all visitors and patients.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the President/CEO to approve to enter into a contractual agreement not to exceed $300,000 for one (1) year with Engle Construction, the vendor awarded following a formal RFP.

MEMORANDUM

TO: Board of Commissioners
FROM: Gino Santorio, President/CEO BH
DATE: April 24, 2019
SUBJECT: Approval to enter into a new 2-year Agreement at the 75th percentile with Dr. Asha Gupta for Family Medicine services.

BACKGROUND

The Physician Group of North Broward Hospital District d/b/a Broward Health (“Broward Health”), is seeking to enter into a new employment agreement with Dr. Asha Gupta. Dr. Gupta has completed a residency in Pediatrics at the Albert Chandler University Hospital, in Lexington, Kentucky in 1989, a residency in Family Medicine at St. Francis Hospital in Beech Grove, Indiana in 1992, is board certified in Family Medicine, and has obtained and currently maintains an unrestricted license to practice medicine in the State of Florida. As a safety-net hospital Broward Health is obligated to provide services to meet the community needs. To that end, Broward Health has documented and objectively determined there is a legitimate business purpose for the services of a qualified physician to provide clinical services in the medical specialty of Family Medicine to Broward Health patients in Broward Health’s service area.

ACTION/PROJECT DESCRIPTION

Broward Health is requesting that the Board of Commissioners authorize the President/CEO to approve to enter into a new contractual agreement with Dr. Asha Gupta for a 2-year term. An independent third-party appraisal report determined that the proposed arrangement is commercially reasonable and the compensation is within fair market value. Specifically, the proposed base salary is set at the 55th percentile and the overall maximum salary is set at the 75th percentile. The overall maximum compensation is based on personal productivity (measured by and will only be earned if the physician also meets all of the compliance standards and quality measures established by Broward Health, which will be further specified within Dr. Gupta’s contract.
FINANCIAL/BUDGETARY IMPACT

The proposed salary is budgeted for FY19.

JUSTIFICATION

The primary care service line has been identified as a strategic need and initiative for 2018-2019 and 2019-2020. Currently, there are only two employed family medicine physicians remaining at Broward Health North thus creating a critical need to retain Dr. Gupta to provide adequate access to care and to meet the needs of the community that Broward Health North serves.

The Community Needs Assessment indicates a shortage of (95.39) Family Medicine physicians in the Broward Health North Region by 2020. The shortage of physicians of this specialty, and the highly competitive nature of other facilities’ recruiting efforts, has created a challenge to Broward Health’s recruitment and employment of Family Medicine physicians. Accordingly, to remain competitive, retain our physicians, and properly provide quality care to the residents within our service area, it is imperative that we offer an employment contract to Dr. Gupta at the 75th percentile.

Recommendations from the Community Needs Assessment suggest that a critical priority is providing better access to care by enhancing access to specialists and primary care providers throughout the service area.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the President/CEO to enter into a new 2-year employment agreement with Dr. Asha Gupta for the provision of Family Medicine services at Broward Health North.

BACKGROUND

An Offering Memorandum Listing of $3,995,000.00 was issued in October 2018 by Rauch-Heim Commercial Real Estate, LLC on behalf of property owner CEV Kirkiles, Inc. The subject site consists of 4 contiguous parcels of land, and three buildings all owned by CEV Kirkiles, Inc.

This Offering is based on land-value, no value has been placed on the existing structures and therefore are being sold “as-is” due to condition and redevelopment opportunity for its highest and best use. Through negotiations Broward Health and the CEV Kirkiles, Inc. have reached a purchase and sale price of $3,275,000.00. The purchase price falls below the certified appraisal price of $3,350,000.00 completed on December 26, 2018.

Purchaser has 60-day due diligence inspection period that commences upon a fully executed Purchase and Sale Agreement. An Earnest Money Deposit of $100,000.00 is due upon a fully executed Purchase and Sale Agreement and will be credited to the purchase price at closing. The deposit is to be held by an independent third party Escrow company. The deposit is refundable to purchaser within the 60-day due diligence period provided a written notice is sent to seller. Provided that all terms are met, closing shall be no later than 30 days from the expiration of the due diligence inspection period.

ACTION/PROJECT DESCRIPTION

Board of Commissioners of the North Broward Hospital District authorize the President/CEO to execute a Purchase and Sale Agreement for the land and improvements located at 1603-11-23 S. Andrews Avenue, Ft. Lauderdale, FL 33316. Folio Numbers: 504215400170, 504215400160, 504215400090, 504215400100
FINANCIAL/BUDGETARY IMPACT

$3,275,000.00 purchase and sale price in Fiscal Year 2020

JUSTIFICATION

Available land in Broward County, especially in the eastern half of the county, has been scarce, and becoming even more scarce as the pace of development continues. The prediction is land costs will continue to increase over time and the area is considered a growth corridor.

This is one of the last remaining developable parcels next to Broward Health Medical Center. If this property is purchased by another purchaser and developed, Broward Health will be limited in its options for future growth. The property sits across the street from the hospitals main entrance and is next to Broward Health’s Sports Medicine Building. Acquiring this property will give Broward Health more flexibility with its future expansion plans to better serve the community. The existing hospital campus buildings and property is limited due to current zoning and lack of available space.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the President/CEO to execute a Purchase and Sale Agreement for the land and improvements located at 1603-11-23 S. Andrews Avenue, Ft. Lauderdale, FL 33316. Folio Numbers: 504215400170, 504215400160, 504215400090, 504215400100.

MEMORANDUM

TO: Board of Commissioners
FROM: Gino Santorio, President/CEO
DATE: April 24, 2019

SUBJECT: Bylaws Revision: Changes to Composition of Quality Assessment and Oversight Committee ("QAOC")

BACKGROUND

The QAOC meets to assess the quality of the North Broward Hospital District’s (the “District”) delivery of health care services. Since its establishment, the membership of QAOC has undergone a number of changes and many of the original titles and positions of the QAOC members are no longer relevant or no longer exist. Accordingly, the changes to the composition proposed in the Summary of Request Section would update the current membership role consistent with the District’s organizational structure.

JUSTIFICATION

Modification of the composition of the QAOC will update the QAOC’s membership to reflect the current organizational structure of the District and ensure that the necessary regions and stakeholders are adequately represented.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District ratify the proposed revision to the composition of Sec. IV-7.J. of the Bylaws to properly reflect the current organizational structure of the District and the interested stakeholders of the Quality Assessment and Oversight Committee.
