DATE: May 29, 2019

SUBJECT: Approval to enter into a new 2-year Agreement at the 83rd percentile with Dr. Maria Farrell for Hospice and Palliative Care services.

BACKGROUND

The Physician Group of North Broward Hospital District d/b/a Broward Health (“Broward Health”), is seeking to enter into a new employment agreement with Dr. Maria Farrell. Dr. Farrell obtained her Doctor of Osteopathic Medicine from Nova Southeastern University College of Medicine in Ft. Lauderdale, Florida in 2011. She completed a Family Medicine Internship and Residency at Broward Health Medical Center, in 2014 and Fellowship in Palliative Care in 2015. Dr. Farrell is an experienced, Board Certified Family Medicine Physician with Sub Certification in Hospice and Palliative Medicine. She maintains an unrestricted license to practice medicine in the State of Florida. As a safety-net hospital Broward Health is obligated to provide services to meet the community needs. To that end, Broward Health has documented and objectively determined there is a legitimate business purpose for the services of a qualified physician to provide clinical services in the medical specialty of Hospice and Palliative Care to Broward Health patients within the District.

ACTION/PROJECT DESCRIPTION

Broward Health is requesting that the Board of Commissioners authorize the President/CEO to enter into a new 2 year contractual agreement with Dr. Maria Farrell. An independent third-party appraisal determined that the proposed arrangement is commercially reasonable and the total compensation is within fair market value. Specifically, the proposed salary is a two year guaranteed base salary set at the 75th percentile with twenty percent (20%) of the base salary at risk for satisfaction of quality and compliance metrics. A one-time sign on bonus brings the overall maximum compensation to the 83rd percentile. There will be no opportunity for productivity based incentive compensation. The physician’s productivity, quality and compliance metrics will be monitored by Broward Health Physician Group’s administrative team and monthly scorecards will be provided to the physician.
FINANCIAL/BUDGETARY IMPACT

The proposed salary is budgeted for FY19.

JUSTIFICATION

Broward Health has documented and objectively determined that there is a legitimate business purpose to provide Hospice and Palliative Medicine Services at Broward Health Medical Center.

There are currently no employed Hospice and Palliative Care specialists to provide clinical services within the Broward Health Medical Center Region. Previous services were provided by a community physician contracted to provide both medical director and clinical services. The community physician and another physician employed by the community physician provided hospice and palliative medicine clinical services at Broward Health Medical Center. However, recently the community physician resigned and also eliminating the physician’s position employed by the community physician. This has left a void in access to care and the availability of skilled physicians to support Broward Health’s patient needs.

As a licensed Medicare and Medicaid certified home hospice care service accredited by the Community Health Accreditation Program (CHAP), Broward Health is dedicated to supporting its mission to care for patients and families of those facing life threatening illness, death and bereavement. It is critical to employ Dr. Maria Farrell to support the community need for Hospice and Palliative care services within the Broward Health Medical Center service area and to ensure access to patient care and the availability of appropriately trained physicians.

Recommendations from the Community Needs Assessment suggest that a critical priority is providing better access to care by enhancing access to specialists throughout the service area.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the President/CEO to enter into a new 2-year employment agreement with Dr. Maria Farrell for the provision of Hospice and Palliative Care services at Broward Health Medical Center.

MEMORANDUM

TO: Board of Commissioners

FROM: Gino Santorio, President/CEO BH

DATE: 5/29/19

SUBJECT: Broward Health Imperial Point Cardiac Services requests approval to lease a Modular Catheterization unit for a period of 18-months.

BACKGROUND

In December 2018 BHIP received its Level 1 Cardiovascular Program License and began performing interventional cardiac catheterizations, and is prepared to go live as a STEMI receiving facility. However, with one cardiac catheterization lab that is shared with our Interventional Radiologists accepting STEMI patients has not been possible due to the potential for having a patient on the table undergoing a procedure when the STEMI arrives. The modular unit will support us in offering the community much more comprehensive cardiac services while maintaining emergency services for interventional radiology cases as well.

ACTION/PROJECT DESCRIPTION

Lease of a 12 x 48-foot Modular Cardiac Catheterization Lab to be installed on a pre-existing pad already constructed for Modular units. This unit will allow us to perform Stemi procedures as well as Interventional Radiology procedures without interrupting either service. The unit will remain on-site until the new Cardiac Catheterization suite is completed.

FINANCIAL/BUDGETARY IMPACT

FY 2020 operating $727,500 for 18 months.

JUSTIFICATION

Currently Cardiac Catheterization procedures are being performed in the shared interventional radiology suite. When a patient suffers a STEMI (ST-elevation Myocardial infarction) in our service area, the most severe and deadly form of heart attack, EMS protocols require EMS to transport the patient to the nearest PCI (percutaneous coronary intervention) facility. Broward Health Imperial Point provides Interventional/PCI procedures and 24-hour emergency services to both cardiac and interventional radiology patients. Therefore, a room must be available for both service lines in anticipation of life threatening cardiovascular conditions, as well as life threatening interventional radiology/vascular emergencies. The Modular Catheterization Lab will serve as the perfect partner to the existing lab that’s currently being shared for both interventional radiology and cardiac procedures.
Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the President/CEO to approve the RFP for a Lease of a Modular Cardiac Catheterization Laboratory from Modular Devices for $727,500.00.

MEMORANDUM

TO: Board of Commissioners
FROM: Gino Santorio, President/CEO BH
DATE: May 29, 2019
SUBJECT: Approve entering into a contract with HealthFund Solutions to assist with Medicaid processing through the Electronic Data Interchange (EDI).

BACKGROUND

Patients are not always aware (or may be unable to communicate) that they are eligible or already have Medicaid benefits. Consequently, Broward Health may be unaware of these patients’ coverage or eligibility and, as such, the patients are designated as self-pay. When deemed a self-pay patient, the patients are responsible for their medical bills despite their inability to pay and even though they may be eligible for Medicaid funding.

ACTION/PROJECT DESCRIPTION

Approve the President/CEO to execute a contract with HealthFund Solutions to assist with Medicaid processing through the Electronic Data Interchange (EDI).

FINANCIAL/BUDGETARY IMPACT

Approximately $498,391 for first year. This was not budgeted for Fiscal Year 2019 because the service was not reviewed during prior budget season.

JUSTIFICATION

HealthFund Solutions has sole source direct connection with Agency Health Care Administration (AHCA) that allows them to search multiple criteria for each patient and identify a patient’s coverage or eligibility status which otherwise would have been missed. As a provider we are unable to obtain this information ourselves. In addition, HealthFund Solutions has access to send supporting documents directly to the data repository for Medicaid applications. This is done via an application hosted on Apple and Android platforms, resulting in more convenient and timely processing of a patient’s Medicaid application and speedier payment of outstanding medical bills.
STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the President/CEO to enter into a contract with HealthFund Solutions to assist with Medicaid processing through the Electronic Data Interchange (EDI).

9. Independent Obligations; Severability; Survival.

Each of the provisions herein is considered independent of any other provision in this Agreement or any other agreement executed by Employee. Further, Employee’s obligations hereunder are independent of any Broward Health obligation. The existence of any claim or cause of action by Employee against Broward Health shall not constitute a defense to the enforcement by Broward Health of the covenants herein. If any one or more of the provisions contained in this Agreement are, for any reason, held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability will not affect the other provisions of this Agreement as the parties agree that the legal authority shall revise the provisions contained herein to cover the maximum scope permitted by law. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal, or unenforceable in any jurisdiction (and it is not capable of modification as described above), it shall be severed and such invalidity, illegality, or unenforceability shall not affect the enforceability of the provision in
any other jurisdiction, nor shall it affect the enforceability of any other provision of this agreement.

10. **Entire Agreement.**

This Agreement contains the entire understanding of the parties in respect of its subject matter and supersedes all prior agreements and understandings (oral or written) between the parties with respect to such subject matters including but not limited to all prior arrangements respecting Employee's employment, whether written or verbal. None of the parties have made any oral representations in connection with this Agreement.

11. **Amendment; Waiver.**

This Agreement may not be modified, amended, supplemented, canceled, or discharged, except by written instrument executed by all parties. No failure to exercise and no delay in exercising, any right, power, or privilege under this Agreement shall operate as a waiver, nor shall any single or partial exercise of any right, power, or privilege hereunder preclude the exercise any other right, power, or privilege. No waiver of any breach of any provision shall be determined to be a waiver of any proceeding or succeeding breach of the same or any other provision, nor shall any waiver implied from any course of dealing between the parties. No extension of time for performance of any obligations or other acts hereunder or under another agreement shall be deemed to be an extension of the time for performance of any other obligations or any other acts. 12. **Assignment.**

This Agreement, and Employee's rights and obligations hereunder, may not be assigned or delegated. Broward Health may assign its rights and delegate its obligations hereunder to any affiliate, successor, or assign.

provisions of such plan shall apply. Employee is not waiving the right to file or institute a complaint or charge with any government agency authorized to investigate or resolve employment-related matters (e.g., a charge of discrimination), or any other comparable local, state, or federal agency. The arbitration shall take place in Broward County, Florida, in the English language. Nothing herein shall prohibit a party from obtaining temporary injunctive relief or other provisional judicial relief from the arbitrator or any court of competent jurisdiction if necessary to avoid a breach of the confidentiality provisions detailed in paragraph 4 above. If a party should obtain temporary injunctive relief from a court of competent jurisdiction to avoid a breach of the confidentiality provisions detailed in paragraph 4 above, the arbitrator may later vacate, modify, or make permanent such relief. Except as otherwise provided in this agreement, or as agreed in writing by the parties, the existence or potential existence of an arbitration, the content of the arbitration, the results of the arbitration, and all information disclosed during the arbitration process will be kept confidential to the maximum extent permitted by law.

14. **Attorneys’ Fees and Costs.**

If either party breaches this Agreement, or any dispute arises out of or relating to this Agreement, then the prevailing party shall be entitled to recover reasonable attorneys’ fees and costs, whether incurred before suit, during suit, or at the appellate level. The prevailing party also shall be entitled to recover reasonable attorneys’ fees and costs incurred in litigating the entitlement to attorneys’ fees and costs, as well as in determining or quantifying the amount of recoverable attorneys’ fees and costs. The language used in this Agreement is the language chosen by the parties to express their mutual intent, and no rule of strict construction shall be applied against any party.

17. **Consultation with Counsel—Voluntary Agreement.**

The parties acknowledge that they have had the opportunity to freely consult with attorneys of their own choosing and are fully aware of their rights, responsibilities, and the consequences of the execution of this Agreement prior to signing.
