TO: Board of Commissioners

FROM: Gino Santorio, President/CEO BH

DATE: April 29th, 2020

SUBJECT: Approve funding to upgrade 5 existing laparoscopic video towers from Karl Storz, which is an approved GPO vendor.

BACKGROUND

Laparoscopic equipment is utilized for general, gynecological, urological, and robotic surgeries. This impacts approximately 1,400 cases annually. Current equipment is end of life and/or out of support.

ACTION/PROJECT DESCRIPTION

Approval for capital purchase to upgrade 5 existing laparoscopic video towers for a financial impact of $499,791.

FINANCIAL/BUDGETARY IMPACT

One time capital purchase of $499,791.

JUSTIFICATION

Laparoscopic equipment is utilized for general, gynecological, urological and robotic surgeries. This purchase will impact approximately 1,400 cases annually. Current equipment is end of life and out of support. As a result, repair and parts are no longer available. Existing equipment is 11+ years old. These new towers will bring some of the latest technology to the operating room and provide our surgeons with enhanced picture quality as they care for our patients.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the District to purchase five laparoscopic towers from a Group Purchasing Organization (GPO) vendor, Karl Storz, in accordance with the District’s Procurement Code, for $499,791.

TO: Board of Commissioners

FROM: Gino Santorio, President/CEO BH

DATE: April 28th, 2020

SUBJECT: Approval to enter into a new professional service agreement at the 75th percentile with Florida Kidney Physicians SE Florida LLC’s Dr. Marco Landino Avellaneda for Transplant Nephrology.

BACKGROUND

Broward Health Medical Center is seeking to enter into a new professional services agreement with Marco Landino Avellaneda, M.D. of Florida Kidney Physicians SE Florida, LLC. Dr. Marco Landino Avellaneda is a doctor of medicine and has a medical degree from Colegio Mayor de Nuestra Señora Del Rosario, Bogota, Colombia in 2003, completed an Internal Medicine residency at University of Miami/Jackson Memorial Medical Center/Miami VA Medical Center, Miami, Florida in 2007, and a fellowship in Transplant Nephrology at University of Miami/Jackson Memorial Medical Center Miami, Florida in 2011. He is board certified in Internal Medicine and sub-certified in Nephrology and has obtained and currently maintains an unrestricted license to practice medicine in the State of Florida. As a safety-net hospital, Broward Health is obligated to provide services to meet the community needs. Broward Health has documented and objectively determined that there is a legitimate business purpose, as well as regulatory requirements, for the services of a qualified physician to provide Transplant Nephrology services at Broward Health Medical Center.

ACTION/PROJECT DESCRIPTION

Broward Health is requesting that the Board of Commissioners authorize the District to enter into a new contractual agreement with Marco Landino Avellaneda, MD of Florida Kidney Physicians SE Florida, LLC for transplant nephrology services. An independent third-party appraisal report determined that the proposed arrangement is commercially reasonable and the compensation is within fair market value.

FINANCIAL/BUDGETARY IMPACT

The proposed compensation is budgeted for FY 20.
JUSTIFICATION

Broward Health has documented and objectively determined that there is a legitimate business purpose to provide Liver and Kidney Transplant Services at Broward Health Medical Center (BHMC) as part of the South Florida Transplant Center.

The state of Florida granted BHMC a Certificate of Need ("CON") to provide kidney transplant services at BHMC, in 2013. The program was never implemented which led to the loss of the CON for BHMC. The CON was lifted in July 2019 allowing BHMC to implement and expand its existing transplant services.

BHMC must adhere to the program requirements as dictated by the United Network for Organ Sharing ("UNOS"), the federally contracted organ procurement and transplantation network. The program requires the clinical services and availability of a primary physician that has training and expertise in Transplant Nephrology. BHMC currently does not have any employed Transplant Nephrologists. Because of the difficulties in recruiting a physician, it is necessary for BHMC’s leaders to seek other avenues to provide coverage for the transplant program. As such, BHMC would like to enter into a contract with a community physician to provide the services as an independent contractor. BHMC would like to engage in a Professional Service Agreement with Dr. Marco Landino Avellaneda of Florida Kidney Physicians SE Florida, LLC to provide these services. BHMC will bill, collect, and keep both the professional and facility fees for the services provided by Dr. Landino Avellaneda.

Recommendations from the Community Needs Assessment suggest that a critical priority is providing better access to care by enhancing access to specialists throughout the service area.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the District to enter into a new professional services agreement at the 75th percentile with Dr. Marco Landino Avellaneda of Florida Kidney Physicians SE Florida, LLC for the provision of Transplant Nephrology services at Broward Health Medical Center.

He then completed a Fellowship in Hospital and Palliative Medicine at Barbara Ziegler Hospice and Palliative Care Fellowship, North Broward Hospital District, Ft. Lauderdale, FL 2007. Dr. Miransky is an experienced, FL licensed, Fellowship Trained physician in good standing of the medical staff at Broward Health. It is critical to employ Dr. Neil Miransky to support the community need for Hospice and Palliative Care Medical Director and clinical services in the Broward Health Medical Center Region to ensure access to patient care and availability of the appropriately trained physicians.

Recommendations from the Community Needs Assessment suggest that a critical priority is providing better access to care by enhancing access to specialists and primary care providers throughout the service area.

TO: Board of Commissioners

FROM: Gino Santorio, President/CEO

DATE: April 28, 2020

SUBJECT: Indefinite Postponement of the 2020 Annual General Medical Staff Meetings and Holdover of Medical Staff Officers

BACKGROUND

Section 10.2 of the Bylaws of the Medical Staff of Broward Health ("Medical Staff Bylaws") require an Annual General Staff Meeting ("Annual Meeting") to be held every year in April. They require all active and provisional Medical Staff members to attend the Annual Meeting. At the Annual Meeting, the Medical Staff Officers are installed—to take office on May 1st of each year—and annual reports for departments and committees are presented and discussed. All four (4) Medical Staffs have agreed to postpone the Annual Meeting during the pendency of the COVID-19 health crisis and to hold it, if possible and needed, at a future date and time to be determined.

ACTION/PROJECT DESCRIPTION

Requesting approval for indefinite postponement of Medical Staff Annual Meeting at all four Regions and the installation of Medical Staff Officers during the Chief of Staffs’ reports to the Board.

FINANCIAL/BUDGETARY IMPACT

N/A

JUSTIFICATION

All four (4) Medical Staffs of the District’s Regions agree that the Annual Meeting should be postponed until such a time as it is safe to hold the Annual Meeting, provided the Medical Staffs deem it essential to hold an Annual Meeting this year. The cancellation of the Annual Meeting is warranted and necessary to ensure adherence to social distancing guidelines of the CDC and WHO and to prevent the unnecessary transmission of COVID-19 among Medical Staff members. The CDC and WHO do not recommend in-person meetings of more than ten (10) persons with at least a six-foot distance between each person.

MEDICAL STAFF RECOMMENDATION

Therefore, it is recommended that the Board of Commissioners of North Broward Hospital District approve the indefinite postponement of this year’s Annual Meeting for all four (4) Medical Staffs until such time as the Medical Staffs deem it safe and necessary to hold this year’s Annual Meeting and that the Board ratify and accept the appointment and installation of the Medical Staff Officers announced by each Medical Staff’s Chief of Staff during each Chief of Staff’s report to the Board.
