Respectfully submitted,
Commissioner Stacy L. Angier, Secretary/Treasurer
Resolution FY20-18

Resolution to Amend Certain Provisions of the Amended and Restated Bylaws of Children’s Diagnostic & Treatment Center, Inc.

WHEREAS, the Children’s Diagnostic & Treatment Center, Inc. (“CDTC”) is a Florida not-for-profit corporation duly organized pursuant to the Florida Not For Profit Corporation Act, § 617.01011, et seq., Florida Statutes and 26 U.S.C. § 501(c)(3);

WHEREAS, Art. III of CDTC’s Articles of Incorporation establishes CDTC for the purposes of charitable, educational, and scientific purposes to provide medical, family, and health care services to children;

WHEREAS, North Broward Hospital District (the “District”) is a special taxing district of the State of Florida and is authorized and empowered to maintain hospitals and supportive facilities for the care and treatment of the people of said District;

WHEREAS, the District is the sole member of CDTC;

WHEREAS, Art. XIII of CDTC’s Articles of Incorporation and Art. XVII of the Amended and Restated Bylaws of Children’s Diagnostic & Treatment Center, Inc., as adopted as of March 25, 2015 (the “Bylaws”) reserve the sole power to the District to make any alterations or amendments to the Bylaws;

WHEREAS, the District wishes to amend certain provisions of the Bylaws as set forth herein; and

WHEREAS, unless context otherwise requires, capitalized terms used but not defined herein have the meanings ascribed to such terms in the Amended and Restated Bylaws of the North Broward Hospital District and its accompanying Codified Resolutions of the Board of Commissioners of the North Broward Hospital District.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners of the North Broward Hospital District, that:

1. The Bylaws are hereby amended as provided below. Words stricken are deletions; words underlined are additions.

2. Art. V, Section 2. of the Bylaws is amended to read as follows:

   SECTION 2. PLACE OF MEETINGS. Meetings of the Corporation shall be held at the principal office of the Corporation or at any other place (within or without the State of Florida) or via any other means the Board of Directors or Member may from time to time select, subject to Article I hereof.

3. Art. VIII, Section 1. of the Bylaws is amended to read as follows:
SECTION 1. PLACE OF MEETINGS. Meetings of the Board, regular or special, may be held at the principal office of the Corporation, or at any place within Broward County, Florida or via any other means, including electronic or telephonic means if appropriate, that a majority of the Board of Directors may from time to time determine to hold a meeting, subject to Article I hereof.

4. Art. VIII, Section 6. of the Bylaws is amended to read as follows:

SECTION 6. VOTING OR QUORUM. At meetings of the Board, a majority of the Directors in office shall be necessary to constitute a quorum for the transaction of business. If a quorum is physically present or present via electronic or telephonic means, the acts of a majority of the Directors in attendance shall be the acts of the Board.

5. Art. VIII, Section 8.A. of the Bylaws is amended to read as follows:

SECTION 8. PRESENCE AT MEETINGS. Members of the Board or any committee may participate by telephone or other electronic means and vote at meetings based upon the following:
A. A quorum of the Board of Directors must otherwise be physically or electronically (via telephone or other electronic means) present at the meeting;

6. This resolution is effective immediately upon its ratification by the Board.

7. This resolution hereby supersedes, amends, replaces and repeals any conflicting resolution or conflicting policy previously adopted by the Board.

DULY ADOPTED this 28th day of April, 2020.

Time Adopted 5:34 PM
Resolution FY20-19

RESOLUTION AUTHORIZING THE DISTRICT TO OPEN A BANK ACCOUNT

WHEREAS, the Board of Commissioners (the “Board”) of the North Broward Hospital District (the “District”), at its January 29, 2020 regular board meeting, adopted Resolution FY20-19, Financial Institution Resolution, with respect to certain banking powers of the District (the “Banking Resolution”);

WHEREAS, the Board, at its March 25, 2020 regular board meeting, authorized the District to secure access to short-term capital through a banking or other financial institution;

WHEREAS, BankUnited, N.A. (“BankUnited”) offered the most favorable proposal to the District and the District has accordingly chosen BankUnited as the bank to secure a revolving credit line for access to short-term capital;

WHEREAS, BankUnited requires the District to maintain a financial account as a condition of receiving the credit line for access to short-term capital;

WHEREAS, the Banking Resolution requires Board approval to open financial accounts and such financial accounts must be with a “qualified public depository,” as such term is defined in § 280.02, Florida Statutes;

WHEREAS, BankUnited has been deemed a “qualified public depository” by the Florida Department of Financial Services, Division of Treasury, and the Board wishes to authorize the District to open deposit accounts with BankUnited; and

WHEREAS, unless context otherwise requires, capitalized terms used but not defined herein have the meanings ascribed to such terms in the Amended and Restated Bylaws of the North Broward Hospital District and its accompanying Codified Resolutions of the Board of Commissioners of the North Broward Hospital District.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners of the North Broward Hospital District, that:

1. The Board hereby grants the authority to those authorized officials listed in the North Broward Hospital District Incumbency Certificate and Certification of Authorized Signatures to Financial Institution Accounts to open one or more financial accounts with BankUnited on such negotiated terms as deemed appropriate and prudent by the District’s Chief Financial Officer.

2. This resolution is effective immediately upon its ratification by the Board.

3. This resolution hereby supersedes, amends, replaces and repeals any conflicting resolution or conflicting policy previously adopted by the Board.

MEMORANDUM
TO: Board of Commissioners

FROM: Gino Santorio, President/CEO

DATE: May 27, 2020

SUBJECT: Authorization to adopt the revisions to GA-004-500 Call Coverage Policy to address documenting the provision of call coverage and concurrent call coverage in one policy

BACKGROUND

NBHD has implemented a Call Coverage Policy (GA-004-500, revised 3/2019) in November 2017. The policy generally addresses the processes in place at NBHD for establishing call coverage panels, establishing call coverage schedules, and obtaining a call coverage agreement with NBHD. In its most recent review, the Independent Review Organization suggested that NBHD revise the Call Coverage Policy to address requirements related to documenting the provision of call coverage services, and to consolidate the Concurrent (Simultaneous) Call Coverage Policy with the Call Coverage Policy to address requirements related to concurrent call in a single policy.

ACTION/PROJECT DESCRIPTION

Authorization to adopt the revisions to GA-004-500 Call Coverage Policy to address documenting the provision of call coverage and concurrent call coverage in one policy.

FINANCIAL/BUDGETARY IMPACT

Not applicable.

JUSTIFICATION

Broward Health agrees with the IRO’s recommendations to holistically address the requirements related to documenting the provision of call coverage, as well as the requirements pertaining to concurrent call in a single policy. The existing Concurrent (Simultaneous) Call Coverage policy will be formally retired once this policy is approved.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District Authorization to adopt the revisions to GA-004-500 Call Coverage Policy to address documenting the provision of call coverage and concurrent call coverage in one policy.
Scope

This policy applies to all Broward Health-affiliated hospitals.

Purpose

To establish a policy and procedure for the establishment of physician on-call rotational panels and lists, as applicable, for emergent medical examination, treatment, care, inpatient consultations, observation consultations and specialty urgent and emergency consultations as required by the Emergency Department to provide for appropriate examination and treatment for individuals who have been found to have an emergency medical condition following a medical screening examination ("Call Coverage"). This policy also provides for physicians to be on-call concurrently at two or more Broward Health-affiliated hospitals; provides how all hospitals involved where the physician is on-call shall be made aware of the details of the concurrent call schedule; and provides how the hospitals will respond when the on-call physician is not available because he/she has been called to another Broward Health-affiliated hospital.

Policy

This policy establishes guidelines, criteria, and review and approval processes that shall be followed to establish Call Coverage panels ("Call Coverage Panels") for qualified physicians who are members of the Medical Staff on a fair, equitable and non-exclusionary basis.

In recognition of the fact that Broward Health's employment agreements with employed physicians may require its employed physicians to provide Call Coverage for those diseases, infirmities, and injuries within the scope of his or her applicable specialty of practice ("Specialty"), all employed physicians who are otherwise qualified per this policy shall be included on a Call Coverage Panel for his or her given Specialty. Furthermore, physicians are permitted to take concurrent call at two or more Broward Health-affiliated hospitals, as provided within this policy.

As required, the Call Coverage Management Team, as defined herein, shall submit to the CEO or designated department a request to obtain a FMV & Commercial Reasonableness Report for the establishment of a Call Coverage Panel that includes on an open and non-exclusionary basis both employed and non-employed qualified physicians. The request shall specify: (i) the number of times that physicians on call were called and the number of times such physicians responded to such calls each month for the last year; (ii) the response time of the physicians when they responded to the calls described in subsection (i); (iii) the number of times that physicians on call received in-person requests and the number of times physicians responded to such in-person requests each month for the last year; (iv) the response time of the physicians when the physicians responded to in-person requests described in subsection (iii); (v) designate for such responses and information provided per (i) – (iii) above, a delineation of whether such call responsibilities were performed by employed or non-employed physicians; and (vi) the Broward Health facility/facilities for which the request is being made; (vii) whether concurrent call coverage is contemplated ("Call Coverage Request").

Upon receipt of a complete Call Coverage Request, the designated department, i.e. Legal shall proceed to obtain a FMV & Commercial Reasonableness Report. The Call Coverage Management Team and executive officers of the applicable Broward Health facility shall provide all information and documentation requested by the independent appraisers to facilitate the receipt of the FMV & Commercial Reasonableness Report. The results of that report shall be provided to the Call Coverage Management Team with any confidential information redacted as determined by the Chief Medical Officer. Any hospitals impacted by the physician's concurrent call assignment must be notified of it.
The on-call physician taking concurrent call must have a backup plan to ensure that appropriate care is provided. In no case, however, shall a patient be transferred from one hospital to another for physician convenience.

Call Coverage Panels for any of Broward Health's clinical specialties shall be provided exclusively by employed physicians within a Specialty only if Broward Health determines that the inclusion of qualified non-employed physicians on such Call Coverage Panel cannot be determined to be Commercially Reasonable and consistent with Fair Market Value.

Broward Health shall, on an ongoing basis, monitor, review, evaluate and assess its Call Coverage arrangements as outlined in this policy. Participation in Call Coverage Panels shall comply with Applicable Federal and State Requirements, including the Federal Anti-Kickback Statute and the Physician Self-Referral Law (Stark).

**Procedure**

A. Determination of Call Coverage Need:
   1. In order to meet the needs of Broward Health patients and to comply with applicable regulatory requirements, the Broward Health Chief Medical Officer ("CMO"), the Regional Chief Executive Officer for the applicable Broward Health facility ("Regional CEO"), the Regional Chief Medical Officer for the applicable Broward Health facility ("Regional RMO") and the Chief of Staff and applicable Department or Section Chair for the applicable Broward Health facility ("Medical Staff Representatives") (collectively, "Call Coverage Management Team"), will consult and determine whether a Call Coverage Panel is required for each Specialty or Department within the applicable Broward Health facility.
   2. As part of the establishment of Call Coverage Panels, the Call Coverage Management Team will insure that the Medical Staff Office maintains an emergency Call Coverage Panel.

B. Establishment of Call Coverage Schedules:
   1. As approved herein, each Specialty within a Broward Health facility may have only one (1) Call Coverage Panel, which shall include Call Coverage for uninsured patients and patients with insurance coverage and all specialty urgent and emergency consultations as required by the Emergency Department and Trauma Center.
   2. Coordination of the Call Coverage Schedule:
      a. The Medical Staff Office Manager or designee shall be responsible for establishing, posting and distributing the monthly Call Coverage schedule. The Call Coverage schedule shall be made available no later than 30 days in advance of the month for which the schedule applies.
      b. No physician shall be permitted to change the Call Coverage schedule, including removing himself or herself from the Call Coverage schedule or placing himself or herself on the Call Coverage schedule, without prior written consent of the Regional CMO.
   3. Qualified Physicians:
      a. In order to be a Qualified Physician, the physician shall be appropriately credentialed and a member of the Medical Staff in good standing, with the requisite training or certification in the clinical Specialty, as determined by the credentialing process.
         i. In determining whether a physician is a Qualified Physician, the MSO shall consult with the Call Coverage Management Team to determine whether a particular Specialty has additional criteria that must be met for a physician to be considered a Qualified Physician. The Call Coverage Management Team shall maintain a current list of Broward Health system-wide, Specialty-specific criteria, developed by, at minimum, the Broward Health Chief Operating Officer ("COO") or similarly equivalent position, Cm
Regional Chief Medical Officers, Department Chair and, if applicable, Division Chief, Chiefs of Staff and Vice President of Quality and Case Management, in consultation with the Legal Department and Compliance Department, which criteria shall be provided to the MSO and the MEC of each hospital.

b. The MSO shall publicize the opportunity to participate in the Call Coverage Panel by posting the information in the MSO, on Broward Health intranet and internet sites, and in places frequented by physicians in the Broward Health facilities. The posting shall include information about the application process for participating in Call Coverage Panels.

c. The MSO shall timely review each application received by a physician to participate in the Call Coverage Panel and shall determine whether each such physician applicant meets the qualification requirements set forth in Section B.3.a above, such that the physician is a Qualified Community Physician.

d. The MSO shall provide the results of its review to the Call Coverage Management Team. If the Call Coverage Management Team determines a physician is not qualified, it will specify the reasons for the denial in a written response to the physician applicant. Such denials may be appealed in writing by the physician applicant to the CMO and the Chief Compliance Officer of Broward Health.

e. The MSO shall provide the contact information to the Call Coverage Management Team for each physician applicant it determines is a Qualified Physician. The Regional CEO and Regional RMO shall maintain a list of all such Qualified Physicians ("QCP List").

f. Before providing Call Coverage services, Broward Health shall enter into a written call coverage agreement for all non-employed Qualified Physicians ("Call Coverage Agreement") pursuant to Broward Health contracting policies and procedures, including its Physician Financial Arrangement Policy, Policy No. GA-004-441.

C. Call Coverage and Emergency Consultation Compensation:

1. Employed Physicians:
   a. Employed physicians are required to provide Call Coverage and Emergency Consultations per the terms of their employment agreements. Accordingly, they do not receive separate stipends for Call Coverage or Emergency Consultations.
   b. Broward Health, and not the employed physician, may bill for the professional services provided by employed physicians during their Call Coverage periods or during an Emergency Consultation.

2. Qualified non-employed Physicians:
   a. Call Coverage:
      i. Qualified non-employed Physicians may receive a stipend for Call Coverage, based upon the FMV & Commercial Reasonableness Report and their Call Coverage Agreement with Broward Health. Each Qualified Community Physician shall enter into a Call Coverage Agreement with Broward Health and follow the Broward Health policies and procedures related to physician arrangements prior to providing Call Coverage services.
      ii. Qualified non-employed Physicians may bill for the professional services provided to patients during their Call Coverage shifts.
   b. Emergency Consultations:
      i. Physicians do not receive a stipend for Emergency Consultations. However, Qualified non-employed Physicians may bill for the professional services provided to patients during an Emergency Consultation.

3. Documentation of call services: All physicians providing Call Coverage shall document such services in accordance with their respective agreement with Broward Health for said services, as well as all applicable Broward Health policies, procedures, standards, and regulations governing Call Coverage.

4. Documentation of call services and Payment:
a. All Physicians providing Call Coverage shall submit documentation evidencing the same in accordance with their respective agreements with Broward Health for said services. The documentation shall be consistent with this policy, and all applicable procedures, standards, and regulations of Broward Health, including but not limited to Broward Health policies, procedures, standards, and regulations governing on call coverage and services provided to uninsured patients.

b. Qualified non-employed Physicians shall document the coverage periods during which the Physician provided on-call coverage services. The Qualified non-employed Physician shall be required to complete and submit a Certification of Call Coverage Availability to Broward Health, which shall be incorporated and attached within the Qualified non-employed Physician’s agreement with Broward Health to provide said services, within thirty (30) days of the last day of each calendar month in which call coverage was provided.

c. Broward Health shall not be obligated to pay a Qualified non-employed Physician for call coverage provided by the Qualified non-employed Physician if the Certification of Call Coverage Availability is not timely submitted, is incomplete, or is unsigned, and will do so only under exceptional circumstances as determined by Broward Health. Broward Health shall not be obligated to pay for call coverage provided by a Qualified non-employed Physician on Coverage Periods during which the Qualified non-employed Physician fails to comply with the obligations of Physician’s agreement with Broward Health, or if Physician has not completed patient medical records as required pursuant to said agreement. Payment shall be made by Broward Health within thirty (30) days of receipt of the completed Certification of Call Coverage Availability.

D. Response Times:

1. Call Coverage:
   a. Emergency Department: Physicians who provide Call Coverage for the Emergency Department shall respond to requests from Broward Health personnel in thirty (30) minutes or less, unless a shorter time frame is specified in the physician's Employment Agreement or Call Coverage Agreement.
   b. All Other Specialties: Physicians who provide Call Coverage for all other Specialties shall respond in an appropriate and timely manner to requests from Broward Health personnel for professional services, within the time frame specified in the physician's Employment Agreement or Call Coverage Agreement.

2. In-patient Emergency Consultations: Physicians who are called for an Emergency Consultation shall respond in an appropriate and timely manner.

E. Failure to Respond:

1. Call Coverage and Emergency Consultations: If the responsible on-call physician fails to respond to a page from Broward Health personnel, Broward Health personnel will follow Broward Health Policy NUR-001-003, Chain of Command.

2. Failure to appropriately respond as provided in this policy may result in corrective action, including corrective action under Applicable Federal and State Law, the terms of the physician's Employment Agreement or Call Coverage Agreement, as applicable, Broward Health's Enforcement of Disciplinary Standards Policy, Policy No. GA-003-238 for employed physicians, and the requirements of the Medical Staff. Such corrective action may include, without limitation, termination of the physician's Call Coverage Agreement, Emergency Consultation Agreement, or Employment Agreement, or removal from the Call Coverage Panel or from the Emergency Consultation list.

F. Removal:

1. A physician may be removed from a Call Coverage Panel or from an Emergency Consultation QCP List for any reason set forth in the physician's Employment Agreement, Call Coverage Agreement, or Emergency Consultation Agreement or upon termination of such agreement, for any reason. Such determination shall be made by the Call Coverage Management Team.
2. Reinstatement of a physician to a Call Coverage Panel or to the Emergency Consultation QCP List shall occur pursuant to the conditions and processes set forth in the physician’s Employment Agreement or Call Coverage Agreement.

**Document Retention**

Broward Health will retain all documents relating to this policy for a period of seven (7) years after their creation. Documents may be considered a public record under Chapter 119, Florida Statutes and may be subject to disclosure, unless otherwise exempted.

**Exceptions**

Any exceptions to this policy must be approved in advanced and in writing by the Executive Vice President, Chief Operating Administrative Officer or similarly equivalent position; Vice President, Chief Compliance and Privacy Officer; General Counsel; and Regional Chief Executive Officer.

**Interpretation and Administration of Policy**

This policy will be assessed at least annually (and more frequently, if appropriate) and revised or updated as necessary. Within 30 days of the effective date of any revisions or additions to this policy, a description of the revisions will be communicated to all affected responsible persons at Broward Health and a copy of the revised policy will be made available. The Chief Compliance Officer and Internal Audit will monitor Broward Health's adherence to this policy and make routine, but no less than quarterly, reports to the Board.

Administration and Interpretation of this policy is the responsibility of the Chief Compliance Officer. In the event the terms of this policy conflict with any provision of the Medical Staff Bylaws, this policy shall control.

Coronavirus Aid
Relief and Economic
Security ("CARES")
Act Overview

May 27, 2020
CARES Act Overview

- Signed into law on March 27, 2020 to provide funding, financial assistance and other measures in response to the pandemic.

- Provides over $2 trillion of funding.

- Hospital funding through the CARES Act is being administered through The U.S. Department of Health and Human Services (HHS).

- Main source of hospital funding through the CARES Act is available through the Public Health and Social Services Emergency Fund (“Relief Fund”).
  
  - $100 billion available to eligible health care providers for expenses or lost revenues attributed to COVID-19.

- Families First Coronavirus Response Act (“FFCRA”) and CARES Act provide an allocation of funds for the testing and treatment of the uninsured.
  
  - $1 billion from FFCRA and an unspecified amount from the CARES Act.
• Federal Communications Commission (FCC) will distribute $200 million to healthcare providers for telehealth through the CARES Act.

• Additional Funding of $484 billion, referred to as COVID 3.5, was passed into law on April 24, 2020 which brings the total commitment to more than $2.4 trillion.
  - An additional $100 billion was added to HHS’s administration.
    - $75 billion has been added to the Relief Fund to be used by eligible health care providers.
    - $25 billion has been added to support testing.

• Additional Relief.
  - Employers’ payroll tax deferment.
  - Accelerated/Advanced Medicare payment.
Broward Health CARES Act Update

- Participated in the accelerated/advanced Medicare payment.
  - Received $78 million, which is equivalent to 6 months of Medicare payments, that will be taken back after 120 days. Essentially an interest free loan.

- Participated in the employers’ payroll tax deferment.
  - Deferring approximately $1.2 million in payroll taxes per pay period through December 31 for approximately $23 million, which will be payable 50% December 2021 and 50% December 2020. Essentially an interest free loan.

- Relief Fund distributions.
  - Of the first $100 billion, $30 billion was released beginning on April 10, 2020 and funding was based on the providers’ share of Medicare Fee-For-Service (FFS), FY 2019. Providers must attest to receipt of funds and agree to terms and conditions.
    - Received $12,179,767.83 and have attested to receipt of funds and agree to the terms and conditions.
Broward Health CARES Act Update

- Relief Fund distributions continued
  - April 24, 2020, $20 billion was released based off of revenue data submitted in CMS cost reports. Providers must attest to receipt of funds, agree to terms and conditions and confirm the CMS cost report.
  - Received $6,529,929.65 and have attested to receipt of funds and agree to the terms and conditions.
- Targeted COVID-19 High Impact Areas, $10 billion will be allocated for a targeted distribution to high impact areas. Hospitals were required to submit: 1) Tax Id Number, 2) National Provider Number, 3) Total number of ICU beds as of April 10, 2020, and 4) Total number of admissions with positive diagnosis for COVID-19 from January 1, 2020 to April 10, 2020.
  - Broward Health submitted a total number of 236 COVID-19 admissions from January 1st – April 10th broken down as follows: BHMC – 93; BHN – 49; BHCS – 62; BHIP – 32.
  - HHS methodology to allocate the funds were on a per admission basis for any hospital that had 100 or more admissions.
  - 15 Hospitals in the State of Florida received $284 million.
Broward Health CARES Act Update

• Relief Fund distributions continued
  • General Fund – hospitals were required to submit their tax return or audited financial statements and the amount of net revenues that they projected losing in March and April due to COVID-19.
  • Broward Health submitted all the required information and was notified that if they received 2% of their annual net revenue in the first 2 distributions not to expect more out of this fund.

• FCC Telehealth Fund
  • Broward Health submitted $2,801,926 in eligible telehealth expenses. Pending approval of funds.

• Reimbursement for the testing and treatment of the uninsured.
  • Broward Health has applied for and started the process on billing uninsured accounts to be reimbursed at 100% of Medicare.
  • Thus far we have processed 1,834 accounts.

MEMORANDUM

TO: Board of Commissioners
FROM: Gino Santorio, President/CEO BH
DATE: May 27th, 2020
SUBJECT: Approval to enter into an on-call agreement for thoracic and vascular surgery at the 82nd percentile for BHMC, and the 90th percentile for concurrent with BHMC/BHIP.

BACKGROUND

Broward Health Medical Center (BHMC) is requesting approval to enter into contractual agreements for thoracic and vascular surgery On-Call service. BHMC has documented and objectively determined there is a legitimate business purpose for the services of qualified physicians to provide services in the specialty of thoracic and vascular Surgery.

BHMC is licensed to provide surgical services being an Adult and Pediatric level one Trauma Center for Emergency Services. Hospitals are required under EMTALA to provide evaluation of management of patients presenting to its Emergency Department. BHMC has a need to contract with the group/physicians to provide uninterrupted on-call availability for its emergent patients.

BHMC has two (2) physicians on the call coverage panel, that can perform both thoracic and vascular services. One of these physicians also provides coverage at BHIP necessitating a concurrent rate. This rate is consistent with the current thoracic vascular surgery rates and concurrent on call rate.

ACTION/PROJECT DESCRIPTION

Broward Health is requesting that the Board of Commissioners authorize the District to enter into on-call contractual agreements at the 82nd percentile for BHMC, and the 90th percentile for concurrent call with BHMC/BHIP. An independent third-party appraisal report determined that the proposed arrangements are commercially reasonable, and the compensation is within fair market value.

FINANCIAL/BUDGETARY IMPACT

The proposed on-call dollars are budgeted for FY-20.
JUSTIFICATION

BHMC and BHIP have documented and objectively determined that there is a legitimate business purpose to continue to provide paid on-call thoracic and vascular surgery services at BHMC and BHIP.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the District to enter into on-call agreements for thoracic and vascular surgery services at the 82nd percentile at Broward Health Medical Center, and the 90th percentile for concurrent at Broward Health Medical Center and Broward Health Imperial Point.
SUMMARY OF REQUEST

DATE: May 27, 2020

FACILITY: System Wide

PROGRAM/PRODUCT LINE: Locum Tenens coverage for Hospital Call, Trauma, and Physician Services.

REQUEST: Approval of additional funding for Locum Tenens coverage for the North Broward Hospital District in the amount of $3,000,000

PURPOSE: To provide North Broward Hospital District temporary recruiting and placement services for the purpose of referring qualified medical professionals and physicians to the hospital, physician groups, and practice management organizations on a contractual basis.

CAPITAL REQUIRED: Not applicable

FISCAL IMPACT: $1,000,000 for Fiscal Year 2020 and $2,000,000 for Fiscal Year 2021

BUDGET STATUS: Budgeted

LEGAL REVIEW: The contract is subject to General Counsel’s review and approval as to legal form and conditioned on no material changes in the approved business terms.

MEMORANDUM

TO: Board of Commissioners
FROM: Gino Santorio, President/CEO BH
DATE: May 27, 2020
SUBJECT: Approval of additional funding for Locum Tenens coverage for the North Broward Hospital District in the amount of $3,000,000

BACKGROUND
The North Broward Hospital District has two Trauma Centers that require physician coverage 24 hours a day, 365 days per year. There are several specialties that are required for the trauma service yet are scarce resources in Broward County. These specialties (ENT and Ophthalmology) have practices that focus mainly on outpatient care and are not willing to take call at the hospitals. A fair market value rate was obtained however this rate did not meet their requirement for pay and was rejected. Pediatric Neurology, Neurology and Transplant Hepatology are being used through Locums coverage as there are no community based options currently available for them. In order to meet the UNOS (United Network for Organ Sharing) requirements of a designated transplant program, hepatology coverage was added.

ACTION/PROJECT DESCRIPTION
Broward Health is requesting that the Board of Commissioners authorize the approval of up to $3,000,000 for the use of Locum Tenens services, as needed, to support the Trauma Services at Broward Health Medical Center (BHMC) and Broward Health North (BHN).

FINANCIAL/BUDGETARY IMPACT
Budgeted. Up to $1,000,000 for Fiscal Year 2020 and $2,000,000 for Fiscal Year 2021 is being requested to assure Trauma Services are covered by qualified physicians to meet the Level I and Level II Trauma requirements.

JUSTIFICATION
The use of Locum Tenens coverage has a cost that is approximately three times the fair market value rates. Coverage is required to meet the state requirements of the Level I and Level II Trauma Services. In order to meet the UNOS (United Network for Organ Sharing) requirement of a designated transplant program, hepatology coverage was added.

STAFF RECOMMENDATION
Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the District the approval of additional funding in the amount of one (1)
million dollars for Fiscal Year 2020 and two (2) million dollars for Fiscal Year 2021 to pay for the Locums Tenens services to support the on-call requirements of the Level I and Level II Trauma Services.
SUMMARY OF REQUEST

MEMORANDUM

TO: Board of Commissioners

FROM: Gino Santorio, President/CEO BH

DATE: May 27, 2020

SUBJECT: This is a request for the ability to contract with Healthcare Recovery Services LLC (HRS) for Medicare Disproportionate Share (DSH) reimbursement services provided on a contingency basis and authorize BH to pay in excess of $400,000, when applicable.

BACKGROUND

Medicare DSH reimbursement refers to payments made by CMS to Medical Centers that qualify as a DSH facility based on the percentage of services provided to Medicaid and Medicare Supplemental Security Income patients. For BH, this percentage has been contracted at 18%.

The DSH payment is an add-on to the DRG Amount paid by CMS for the services that BH provides to Medicare Fee-for-Service (FFS) and MCR Managed Care (MMC) recipients paid on a DRG Basis.

ACTION/PROJECT DESCRIPTION

HRS has provided quality Medicare DSH services to BH for over 10 years and performs the majority of the tasks required for BH to obtain this funding.

Currently, there is over $6M of additional funding that is pending for BH based on Reopening and Appeals requests that HRS has identified, presented, and preserved.

FINANCIAL/BUDGETARY IMPACT

18% Contingency fee of any additional reimbursement they are responsible for and collected by BH.

JUSTIFICATION

Ensure that Broward Health (BH) receives our appropriate Medicare DSH Funding

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the President/CEO to approve the payment of invoices under this contract.

TO: Board of Commissioners

FROM: Gino Santorio, President/CEO

DATE: May 27, 2020

SUBJECT: Broward Health Corporate is requesting funding of the FY20 Capital Budget for regional line item requests greater than $400,000.

BACKGROUND

In September of 2019 the Board of Commissioners of the North Broward Hospital District (the “Board”) were presented the FY20 capital budget outlining the “Signature” budget allocations and the Regions’ budget allocations. The proposed capital budget of $58,068,910 was approved by the Board.

To date, executive leadership has received approval authority of $23,097,320 of capital funding, inclusive of base capital (projects less than $400,000) and previously approved project exhibits (projects greater than $400,000).

Executive leadership, by our procurement guidelines and approval authority, has defined the remaining line item budgets for each Region by project for funding requests greater than $400,000 as described below. This list includes project/equipment requests and corporate contingency funds in the amount of $35,496,795. This approval will allow leadership to fulfill our remaining capital program commitment without further delays or individual approvals.

ACTION/PROJECT DESCRIPTION

BROWARD HEALTH MEDICAL CENTER (BHMC) – FY20 Capital Spend

- Interior Floor Replacement Project in Patient Care Areas

  BHMC’s Atrium Building has patient and clinical floor areas that are past useful life and need replacement. The flooring has never been replaced and is the original flooring installed 17 years ago. The high traffic consumption and durability of the flooring has made it a challenge to maintain cleanliness and modernization.

  The amount needed to complete this project is $567,164.
- **Bi-Directional Amplifiers System (BDA)**

This project involves the implementation of an in-building communication enhancement system for emergency responder public safety communication signal booster systems a.k.a. Bi-Directional Amplifier (BDA) and Distributed Antenna System (DAS) in buildings where emergency responders are responding to various situations. This project was originally budgeted 2 years ago. Since it is a relatively new type of system that we are required to install, there have been significant changes and evolving information in regard to the Authorities Having Jurisdiction (AHJs). Broward Health has been working diligently with all AHJs to make sure we are following the most current guidelines.

The evolving understanding and changes implemented within the AHJs’ requirements have resulted in a project scope and cost increase.

The original approved budget for BHMC was $835,120, but the actual cost is coming in at $1,707,224—a net increase of $872,014.

**BROWARD HEALTH IMPERIAL POINT (BHIP) – FY20 Capital Spend**

- **BHIP Pharmacy Renovation for USP 800**

Pharmacy sterile rooms are licensed by the State of Florida and specifications on the clean room environment is governed by federal guidelines: United States Pharmacopeia (USP) 797 and United States Pharmacopeia (USP) 800.

The project is to ensure the pharmacies across the system are brought into compliance with United States Pharmacopeia 800 standard regarding air exchanges and HEPA filtration. This is required for pharmaceutical compounding and sterile preparations.

The forecasted costs were approximately $750 per square foot based on recent projects with similar requirements. We received four sealed bids from qualified contractors in mid-October and the actual costs came in at $1,428 per square foot. The initial project scope also anticipated using the existing HVAC systems; however, the engineers determined that the existing units would not be adequate to meet the new requirements and needed to be replaced causing substantial cost increases.

Broward Health’s Design and Construction Department also confirmed the costs with other local healthcare facilities such as Memorial Healthcare System and consultants that are working on USP 800 pharmacy upgrades in surrounding counties are also experiencing similar cost increases.

The amount needed to complete this project is $690,844. This project was inadvertently missed in the FY19 Rollover budget.
• **Bi-Directional Amplifiers System (BDA)**

This project involves the same implementation of an in-building communication enhancement system for emergency responder public safety communication signal booster systems, a.k.a. Bi-Directional Amplifier (BDA) and Distributed Antenna System (DAS) in buildings where emergency responders are responding to various situations. As with the project at BHMC, the evolving understanding and changes implemented within the AHJs’ requirements have resulted in a project scope and cost increase.

The original approved budget for BHIP was $297,985, but the actual cost is coming in at $605,228—a net increase of $307,270.

**BROWARD HEALTH CORAL SPRINGS (BHCS) – FY20 Capital Spend**

• **Bi-Directional Amplifiers System (BDA)**

This project involves the implementation of the same BDA and DAS in-building communication enhancement system as the other Regions. As with the other Regions, the evolving understanding and changes implemented within the AHJs’ requirements have resulted in a project scope and cost increase.

The original approved budget for BHCS was $347,155, but the actual cost is coming in at $1,055,953—a net increase of $708,798.

**BROWARD HEALTH NORTH (BHN) – FY 20 Capital Spend**

• **Bi-Directional Amplifiers System (BDA)**

This project involves the implementation of the same BDA and DAS in-building communication enhancement system as the other Regions. As with the other Regions, the evolving understanding and changes implemented within the AHJs’ requirements have resulted in a project scope and cost increase.

Phase 1 of this project has been completed and Phase 2 of the project is about to begin.

The original approved budget for BHN was $417,933 and the FY19 budget rollover was $267,145. However, the actual cost for Phase 2 is coming in at $896,000—a net increase of $628,855.

**BROWARD HEALTH CORPORATE PHARMACY – FY20 Capital Spend**

• **Pharmacy Renovation for USP 800**
This is the same project as BHIP to ensure the pharmacies across the System are brought into compliance with United States Pharmacopeia 800 standard regarding air exchanges and HEPA filtration. The original approved budget was $2,376,183.00, but the actual cost is coming in at $3,923,271—a net increase of $1,615,497.00.

BROWARD HEALTH REAL ESTATE – FY20 Capital Spend

- **New Practices – Broward Health Imperial Point Suite 401 (Bariatric Services)**

  To help grow the bariatric surgical services at BHIP, Broward Health Physician Group has recently hired two (2) new physicians – Dr. Bae and Dr. Zhang. This scope of this project is to provide professional design and construction services to support a full interior renovation of the existing physician office (Suite 401) at BHIP’s Medical Office Building. The finished suite will include one (1) waiting room, one (1) reception area, one (1) administration office, two (2) doctor offices, one (1) staff lounge, one (1) bariatric patient toilet room, staff toilet rooms, and seven (7) exam rooms to accommodate this new bariatric practice.

  The amount needed to complete this project is $551,030.

BROWARD HEALTH CORPORATE FACILITIES – FY 20 Capital Spend

- **Corporate Facilities Renovation and Replacements Projects**

  The scope of work for this project is related to six (6) strategic replacement and infrastructure upgrades to manage all building infrastructure that is at the end of its useful life and to address the most urgent needs. These renovations and replacements include but not limited to: mechanical/electrical/plumbing/fire protections (MEPF) replacements, elevator upgrades, painting and waterproofing, flooring replacements, fire alarm, building automation, uninterruptible power supply (UPS) battery replacements, and transfer switches.

  The amount needed to complete this scope is $699,750.

BROWARD HEALTH INFORMATION TECHNOLOGY (IT) – FY 20 Capital Spend

- **Information Technology Equipment and Infrastructure - Sustainability**

  The scope of work for this project is related to six (6) strategic IT acquisitions and purchases to manage all IT hardware that is at the end of its life with standardized solutions based on the most urgent needs. These acquisitions and purchases include, but are not limited to: Networks, data center, clinical equipment, desktops, licenses, and IT department refresh.
• **Information Technology Equipment and Infrastructure – Net New**

The scope of work for this project is related to four (4) strategic IT acquisitions and purchases as needed to enhance the efficiencies and quality for Broward Health. These acquisitions and purchases include, but are not limited to: Electronic Health Record (HER) Behavioral Health Module, EHR Anesthesia Module, CareAware Connect, and Clinical Patient E-Sign in EHR.

The amount needed to complete the scope of services listed above for projects greater than $400,00 is not-to-exceed $4,530,000.

**BROWARD HEALTH BIOMEDICAL ENGINEERING (Bio-Med) – FY20 Capital Spend**

• **Bio-Medical Equipment and Infrastructure**

The scope of work for this project is related to five (5) strategic bio-med acquisitions and purchases. These acquisitions and purchases include, but are not limited to: Infusion Pumps, Network Physiological Monitoring Systems, Electronic Health Record Care Aware, and Neo-natal Intensive Care Warmers and Incubators.

The amount needed to complete the scope of services listed above for projects greater than $400,00 is not-to-exceed $1,301,943.

**FINANCIAL/BUDGETARY IMPACT**

Previous approved FY 2019 capital budget. Net zero fiscal impact.

**JUSTIFICATION**

Supports Broward Health’s initiatives to provide high quality care to all patients served.

**STAFF RECOMMENDATION**

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District approve the funding of the remaining $35,496,795 for capital equipment, projects and improvements greater than $400,000 per item as detailed in this Exhibit.
Resolution FY20-20

Resolution Establishing Guidelines for Physician Recruitment Arrangements

WHEREAS, the Board of Commissioners (the “Board”) of the North Broward Hospital District (the “District”) is responsible for the oversight of the District and its operations pursuant to the District’s Charter;

WHEREAS, the District, as a tax-exempt public hospital system, is subject to substantial state and federal regulations which governs its affairs;

WHEREAS, Broward County and many areas across the country are facing physician shortages in various capacities and in various specialties;

WHEREAS, to ensure the health of the community, it has become necessary for the District from time to time to recruit physicians from other areas to practice medicine as a District employee or to be a member of the District’s Medical Staff while practicing medicine within the District’s community;

WHEREAS, the Board wishes to create a policy setting forth the guidelines for physician recruitment arrangements; and

WHEREAS, unless context otherwise requires, capitalized terms used but not defined herein have the meanings ascribed to such terms in the Amended and Restated Bylaws of the North Broward Hospital District and its accompanying Codified Resolutions of the Board of Commissioners of the North Broward Hospital District (“Codified Resolutions”).

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners of the North Broward Hospital District, that:

1. The Board hereby establishes the following guidelines as they pertain to the District’s recruitment of physicians.

2. The President and Chief Executive Officer (“CEO”), Chief Financial Officer (“CFO”), or any of the respective authorized delegees of the CEO or CFO, are hereby authorized to enter into and execute recruitment agreements in any amount provided the recruitment arrangements comply with the guidelines below.

3. All physician recruitment arrangements shall comply with the Federal Anti-Kickback Statute as codified in 42 U.S.C. § 1320a-7b and the Physician Recruitment Exception to the Stark Law promulgated in 42 C.F.R. § 411.357(e), all as amended from time to time and any successor statutes or regulations thereof.

4. All recruitment arrangements shall comply with the IRS’s Revenue Ruling 97-21 (May 5, 1997).

5. To the extent a physician is recruited to perform services for the District, while taking into consideration all the benefits provided to the physician, the compensation paid to the physician shall be reasonable in relation to the services the physician is providing in return.

6. In all instances of physician recruitment, there shall be documented evidence of a community need or other benefit to the community, the recruitment shall be in furtherance of the District’s purpose, and the recruitment shall be reasonably related to the accomplishment of that purpose in promoting the health of the community and ensuring a high quality of medical care.

7. All physician recruitment arrangements shall be reasonable and negotiated at arms’ length.
8. No physician arrangement may be conditioned upon a physician’s referrals to the District, and the remuneration may not be determined, directly or indirectly, on the volume or value of actual or anticipated referrals or other business generated between the physician and the District.

9. Any benefit to the physician under the physician recruitment arrangement shall be incidental to the public purpose achieved in recruiting the physician.

10. The above-mentioned guidelines shall be monitored and regularly reviewed by the Board to ensure consistency with the District’s tax-exempt purposes.

11. The above-stated policy shall be codified in Chapter 6 of the Codified Resolutions.

12. This resolution hereby supersedes, amends, replaces and repeals any conflicting resolution or conflicting policy previously adopted by the Board.

DULY ADOPTED this ___ day of May, 2020.
