5.6.3 FAILURE TO PAY DUES

If a member has failed to pay his or her dues on or before the due date, notice shall be given to the member and a reasonable period of time shall be specified in the Notice by which the member must remit all past due amounts. SUBJECT: Authorization to execute a Lease Agreement with Welltower OM Group, LLC for 4,808 square feet of medical office space at 600 S Pine Island Road, Suite 204, Plantation, Florida, 33324.

BACKGROUND

The subject site is approximately 4,808 square feet of medical office space. Through negotiations, Welltower OM Group, LLC (“Welltower”) and NBHD have reached an agreement for an initial term of ten (10) years. NBHD may exercise its option to terminate the lease at the conclusion of year five (5) of the lease by providing Welltower with written notice of its intent to terminate twelve (12) months prior. NBHD also has the right of first refusal to rent space contiguous to the leased space at the same rental rate.

Rent equals $146,079.06 in initial year, including the security deposit. Rent equals $163,176.31 annually thereafter, with 3% annual escalation of the rent, starting in year three (3) of the agreement. Welltower will build out the space using building standard materials and finishes based on a mutually agreed upon space plan between NBHD and Welltower, not to exceed $408,680 (or $85.00 per square foot) for the tenant improvement allowance.

ACTION/PROJECT DESCRIPTION

FINANCIAL/BUDGETARY IMPACT

REQUEST: Authorization to execute a Food and Nutrition Management Services Agreement with Aramark Healthcare Support Management Services, LLC

PURPOSE: Food and nutrition management services for NBHD hospitals

CAPITAL REQUIRED: $3,000,000 for equipment and renovations in the food services areas at NBHD hospitals.

FISCAL IMPACT: $17,969,581 in FY 21

MEMORANDUM

TO: Board of Commissioners

FROM: Gino Santorio, President/CEO

DATE: July 29, 2020

SUBJECT: Authorization to execute a Food and Nutrition Management Services Agreement with Aramark Healthcare Support Management Services, LLC.

BACKGROUND

Broward Health issued a Request for Proposals (“RFP”) for the provision of Food and Nutrition Management Services on October 23, 2017. Pursuant to this bid process, Aramark Healthcare Support Management Services, LLC ("Aramark") submitted its proposal on December 7, 2017. Furthermore, in an award letter dated January 12, 2018, NBHD awarded Aramark the right to negotiate a contract to provide food and nutrition management services.

The term of the agreement is five years. NBHD will invest $3M in equipment and renovations to operationally and financially improve food service operations. NBHD will receive an 8% rebate on the cost of all food and food related items purchased. This rebate represents a savings to both federal health care programs and Broward County tax payers. Furthermore, the agreement is structured so that Aramark’s management fee is 100% at risk in years 2 through 5 of the agreement, which means that Aramark is required to refund a portion or all of its management fee to Broward Health if it fails to achieve key performance targets outlined in the agreement. Moreover, the key performance targets are tied to the safety and quality of the food served, as well as the prudent management of the budget. Therefore, any incentive paid to Aramark is a reflection of safe, and above-average quality food services that meet or positively exceed Broward Health’s budget expectations.

ACTION/PROJECT DESCRIPTION

Authorization to execute a Food and Nutrition Management Services Agreement with Aramark Healthcare Support Management Services, LLC.

FINANCIAL/BUDGETARY IMPACT

$17,969,581 in Fiscal Year 2021.
JUSTIFICATION

Aramark will be responsible for the management of food and nutritional services for patients, visitors and employees at all of the NBHD’s hospitals, which also includes purchase of food and related items on NBHD’s behalf and providing enhanced room services to NBHD’s patients. Food and nutrition management services are necessary to support the Food and Nutrition Services Departments at each of NBHD’s hospitals in maintaining compliance with CMS conditions of participation requirements as it pertains to food and dietetic services, and Joint Commission provision of care, treatment and services requirements.

STAFF RECOMMENDATION

Therefore, it is requested that the Board of Commissioners of the North Broward Hospital District authorize the District to enter into a 5-Year Food and Nutrition Management Services Agreement with Aramark Healthcare Support Management Services, LLC.

Resolution FY21-01

RESOLUTION TO CREATE A RETIREE HEALTH REIMBURSEMENT ARRANGEMENT

WHEREAS, North Broward Hospital District (the “District”) is a special taxing district of the State of Florida, and is authorized and empowered to maintain hospitals and supportive facilities for the care and treatment of the people of said District;

WHEREAS, Section 19 of Section of the District’s enabling legislation, ch. 2006-347, Laws of Florida, as amended, and § 112.0801, Florida Statutes, authorize the District’s Board of Commissioners (“Board”) to establish benefit plans, employee pension funds and to provide for the life, disability, and medical insurance for all or any of the District’s employees or officers on a group insurance or other plan acceptable to the Board;

WHEREAS, the Board has previously established benefit plans, pension plans, and self-insurance health plans (collectively, the “Plans”) for the District’s employees and certain qualifying retired employees of the District (“Retirees”);

WHEREAS, the Plans for the Retirees are subject to Broward Health’s Post Retiree Benefits Policy, HR-005-043, and Broward Health’s Guide to Employee Benefits, both in effect and as amended from time to time (collectively, the “Plan Policies”);

WHEREAS, the Plan Policies permit the District to supersede, modify, or terminate the Plans at any time; and

WHEREAS, unless context otherwise requires, capitalized terms used but not defined herein have the meanings ascribed to such terms in the Amended and Restated Bylaws of the North Broward Hospital District and its accompanying Codified Resolutions of the Board of Commissioners of the North Broward Hospital District.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners of the North Broward Hospital District, that:

1. The benefits of the Plans are hereby modified and Retirees eligible for Medicare shall be offered a “Choice Model” under the Plans whereby Medicare-eligible Retirees may either (a) receive a predetermined annual subsidy through a health reimbursement arrangement to purchase health and prescription coverage through a retiree health exchange; or (b) without a subsidy, enroll in the group health plans currently offered to Broward Health’s employees and pay the full cost thereof in accordance with § 112.0801, Florida Statutes.

2. Those Retirees who are ineligible for Medicare shall be entitled to enroll in the group health plans currently offered to Broward Health’s employees subject to payments of monthly premiums with contribution levels to be determined annually.
3. The President and Chief Executive Officer (the “CEO”), or those individuals who have been designated by the CEO in writing (collectively, “Designated Officer”), is hereby authorized and empowered in the name of, and on behalf of, the District to administer the Plans and execute any document or submit any application, as well as to represent the District and perform any and all acts related to the above-mentioned alterations to the Plans, including, without limitation, making modifications and consulting with experts and third-party administrators to fulfill the CEO’s fiduciary duties to the Plans; provided, however, no substantive changes to the Plans may be approved without an affirmative vote of the board and all such administration of said Plans shall at all times be in accordance with § 112.0801, Florida Statutes, and any other applicable state or federal laws.

4. The Board hereby makes a finding that the Retiree contribution amount for participation in the Plans or subsidy provided to Medicare-eligible Retirees is not a substantive change that requires further Board approval.

5. The CEO and each of the Designated Officers are hereby authorized and empowered, in the name of, and on behalf of, the District to apply for, obtain, and maintain other related services to fulfill their fiduciary duties to the Plans.

6. The CEO and each of the Designated Officers are authorized to prepare, execute, deliver and file, as appropriate, any and all documents, in such form as the CEO or such Designated Officer shall approve, the execution, delivery or filing by the CEO and such Designated Officer to be conclusive evidence of such approval, and to take all such further action as the CEO or such Designated Officer considers necessary or desirable, to carry out the purposes and intent of the this Resolution.

7. The CEO and each of the Designated Officers are responsible for the administration of the Plans, the terms and conditions of the Retirees participation in the Plans, and the benefits provided in the Plans.

8. This Resolution hereby supersedes, replaces, and repeals any previous resolution or provisions thereof that otherwise conflict with or frustrate the purposes of this Resolution.

9. This Resolution shall become effective immediately upon adoption.

10. In addition to and without limiting the foregoing, the CEO and the Designated Officers, and each of them hereby is, for and in the name and on behalf of the District, authorized to take, or cause to be taken, such further action, to pay such fees and expenses, to make such filings or certifications, and to execute and deliver, or cause to be delivered, all such agreements, notices, instruments and documents, in each case, as he or she may deem necessary or appropriate in order to effect the purpose and to carry out the intent of the this resolution (as conclusively evidenced by the taking of such action or the execution and delivery of such instruments, as the case may be), and any and all actions heretofore taken by the CEO and the Designated Officers in
connection with the subject of the foregoing recitals and resolutions be, and each of them hereby is, ratified, confirmed and approved in all respects as the act and deed of the District.
