RESOLUTION TO CREATE A RETIREE HEALTH REIMBURSEMENT ARRANGEMENT

WHEREAS, North Broward Hospital District (the “District”) is a special taxing district of the State of Florida, and is authorized and empowered to maintain hospitals and supportive facilities for the care and treatment of the people of said District;

WHEREAS, Section 19 of the District’s enabling legislation, ch. 2006-347, Laws of Florida, as amended, and § 112.0801, Florida Statutes, authorize the District’s Board of Commissioners ("Board") to establish benefit plans, employee pension funds and to provide for the life, disability, and medical insurance for all or any of the District’s employees or officers on a group insurance or other plan acceptable to the Board;

WHEREAS, the Board has previously established benefit plans, pension plans, and self-insurance health plans (collectively, the “Plans”) for the District’s employees and certain qualifying retired employees of the District (“Retirees”);

WHEREAS, the Plans for the Retirees are subject to Broward Health’s Post Retiree Benefits Policy, HR-005-043, and Broward Health’s Guide to Employee Benefits, both in effect and as amended from time to time (collectively, the “Plan Policies”);

WHEREAS, the Plan Policies permit the District to supersede, modify, or terminate the Plans at any time; and

WHEREAS, unless context otherwise requires, capitalized terms used but not defined herein have the meanings ascribed to such terms in the Amended and Restated Bylaws of the North Broward Hospital District and its accompanying Codified Resolutions of the Board of Commissioners of the North Broward Hospital District.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners of the North Broward Hospital District, that:

1. The benefits of the Plans are hereby modified and Retirees eligible for Medicare shall be offered a “Choice Model” under the Plans whereby Medicare-eligible Retirees may either (a) receive a predetermined annual subsidy through a health reimbursement arrangement to purchase health and prescription coverage through a retiree health exchange; or (b) without a subsidy, enroll in the group health plans currently offered to Broward Health’s employees and pay the full cost thereof in accordance with § 112.0801, Florida Statutes.

2. Those Retirees who are ineligible for Medicare shall be entitled to enroll in the group health plans currently offered to Broward Health’s employees subject to payments of monthly premiums with contribution levels to be determined annually.

3. The President and Chief Executive Officer (the “CEO”), or those individuals who have been designated by the CEO in writing (collectively, “Designated Officer”), is hereby authorized and empowered in the name of, and on behalf of, the District to administer the Plans and execute any document or submit any application, as well as to represent the District and perform any and all acts related to the above-mentioned alterations to the Plans, including, without limitation, making modifications and consulting with experts and third-party administrators to fulfill the CEO’s fiduciary duties to the Plans; provided, however, no substantive changes to the Plans may be approved without an affirmative vote of the board and all such administration of said Plans shall at all times be in accordance with § 112.0801, Florida Statutes, and any other applicable state or federal laws.

4. The Board hereby makes a finding that the Retiree contribution amount for participation in the Plans or subsidy provided to Medicare-eligible Retirees is not a substantive change that requires further Board approval.

6. The CEO and each of the Designated Officers are authorized to prepare, execute, deliver and file, as appropriate, any and all documents, in such form as the CEO or such Designated Officer shall approve, the execution, delivery or filing by the CEO and such Designated Officer to be conclusive evidence of such approval, and to take all such further action as the CEO or such Designated Officer considers necessary or desirable, to carry out the purposes and intent of the this Resolution.

7. The CEO and each of the Designated Officers are responsible for the administration of the Plans, the terms and conditions of the Retirees participation in the Plans, and the benefits provided in the Plans.

8. This Resolution hereby supersedes, replaces, and repeals any previous resolution or provisions thereof that otherwise conflict with or frustrate the purposes of this Resolution.

9. This Resolution shall become effective immediately upon adoption.

10. In addition to and without limiting the foregoing, the CEO and the Designated Officers, and each of them hereby is, for and in the name and on behalf of the District, authorized to take, or cause to be taken, such further action, to pay such fees and expenses, to make such filings or certifications, and to execute and deliver, or cause to be delivered, all such agreements, notices, instruments and documents, in each case, as he or she may deem necessary or appropriate in order to effect the purpose and to carry out the intent of the this resolution (as conclusively evidenced by the taking of such action or the execution and delivery of such instruments, as the case may be), and any and all actions heretofore taken by the CEO and the Designated Officers in
connection with the subject of the foregoing recitals and resolutions be, and each of them hereby is, ratified, confirmed and approved in all respects as the act and deed of the District.
