Resolution FY21-01

RESOLUTION TO CREATE A RETIREE HEALTH REIMBURSEMENT ARRANGEMENT

WHEREAS, North Broward Hospital District (the “District”) is a special taxing district of the State of Florida, and is authorized and empowered to maintain hospitals and supportive facilities for the care and treatment of the people of said District;

WHEREAS, Section 19 of Section of the District’s enabling legislation, ch. 2006-347, Laws of Florida, as amended, and § 112.0801, Florida Statutes, authorize the District’s Board of Commissioners (“Board”) to establish benefit plans, employee pension funds and to provide for the life, disability, and medical insurance for all or any of the District’s employees or officers on a group insurance or other plan acceptable to the Board;

WHEREAS, the Board has previously established benefit plans, pension plans, and self-insurance health plans (collectively, the “Plans”) for the District’s employees and certain qualifying retired employees of the District (“Retirees”);

WHEREAS, the Plans for the Retirees are subject to Broward Health’s Post Retiree Benefits Policy, HR-005-043, and Broward Health’s Guide to Employee Benefits, both in effect and as amended from time to time (collectively, the “Plan Policies”);

WHEREAS, the Plan Policies permit the District to supersede, modify, or terminate the Plans at any time; and

WHEREAS, unless context otherwise requires, capitalized terms used but not defined herein have the meanings ascribed to such terms in the Amended and Restated Bylaws of the North Broward Hospital District and its accompanying Codified Resolutions of the Board of Commissioners of the North Broward Hospital District.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners of the North Broward Hospital District, that:

1. The benefits of the Plans are hereby modified and Retirees eligible for Medicare shall be offered a “Choice Model” under the Plans whereby Medicare-eligible Retirees may either (a) receive a predetermined annual subsidy through a health reimbursement arrangement to purchase health and prescription coverage through a retiree health exchange; or (b) without a subsidy, enroll in the group health plans currently offered to Broward Health’s employees and pay the full cost thereof in accordance with § 112.0801, Florida Statutes.

2. Those Retirees who are ineligible for Medicare shall be entitled to enroll in the group health plans currently offered to Broward Health’s employees subject to payments of monthly premiums with contribution levels to be determined annually.
3. The President and Chief Executive Officer (the “CEO”), or those individuals who have been designated by the CEO in writing (collectively, “Designated Officer”), is hereby authorized and empowered in the name of, and on behalf of, the District to administer the Plans and execute any document or submit any application, as well as to represent the District and perform any and all acts related to the above-mentioned alterations to the Plans, including, without limitation, making modifications and consulting with experts and third-party administrators to fulfill the CEO’s fiduciary duties to the Plans; provided, however, no substantive changes to the Plans may be approved without an affirmative vote of the board and all such administration of said Plans shall at all times be in accordance with § 112.0801, Florida Statutes, and any other applicable state or federal laws.

4. The Board hereby makes a finding that the Retiree contribution amount for participation in the Plans or subsidy provided to Medicare-eligible Retirees is not a substantive change that requires further Board approval.

5. The CEO and each of the Designated Officers are hereby authorized and empowered, in the name of, and on behalf of, the District to apply for, obtain, and maintain other related services to fulfill their fiduciary duties to the Plans.

6. The CEO and each of the Designated Officers are authorized to prepare, execute, deliver and file, as appropriate, any and all documents, in such form as the CEO or such Designated Officer shall approve, the execution, delivery or filing by the CEO and such Designated Officer to be conclusive evidence of such approval, and to take all such further action as the CEO or such Designated Officer considers necessary or desirable, to carry out the purposes and intent of the this Resolution.

7. The CEO and each of the Designated Officers are responsible for the administration of the Plans, the terms and conditions of the Retirees participation in the Plans, and the benefits provided in the Plans.

8. This Resolution hereby supersedes, replaces, and repeals any previous resolution or provisions thereof that otherwise conflict with or frustrate the purposes of this Resolution.

9. This Resolution shall become effective immediately upon adoption.

10. In addition to and without limiting the foregoing, the CEO and the Designated Officers, and each of them hereby is, for and in the name and on behalf of the District, authorized to take, or cause to be taken, such further action, to pay such fees and expenses, to make such filings or certifications, and to execute and deliver, or cause to be delivered, all such agreements, notices, instruments and documents, in each case, as he or she may deem necessary or appropriate in order to effect the purpose and to carry out the intent of the this resolution (as conclusively evidenced by the taking of such action or the execution and delivery of such instruments, as the case may be), and any and all actions heretofore taken by the CEO and the Designated Officers in
connection with the subject of the foregoing recitals and resolutions be, and each of them hereby is, ratified, confirmed and approved in all respects as the act and deed of the District.

GA-004-012 Gifts, Gratuities, and Business Courtesies

I. Purpose

On occasion, vendors, potential vendors, contractors, patients, or others may offer gifts or gratuities directly or indirectly to Workforce Members of Broward Health. The Federal Anti-Kickback Statute (42 U.S.C. § 1320a-7b(b)) prohibits the offering, paying, soliciting, or receiving of anything of value which may induce or reward (or even appear to induce or reward) referrals to a health care facility receiving federal health care money such as Medicare or Medicaid. These offerings represent a potential for conflicts of interest, or the appearance of such, on part of the Workforce Member and Broward Health. Gifts and gratuities are not part of Broward Health’s operational environment as the acceptance of gifts and gratuities in certain instances may implicate that decision-making is predicated on such offering. As such, the acceptance of such gifts and/or gratuities would constitute a risk to the integrity of Broward Health and its Workforce Members. This policy is intended to provide guidance to the Workforce Member to aid them in complying with Broward Health’s mission and purpose and federal and state laws prohibiting the appearance of impropriety. The examples provided in this policy are not exhaustive as individual situations can differ. If situations arise which are not covered in the examples within this policy, it should be addressed with the workforce member’s immediate supervisor and the Broward Health Corporate Compliance and Ethics Department.

II. Key Terms

**Cash Equivalents:** Any item that is easily converted to cash such as gift certificates, gift cards, stocks, bonds, treasury bills, certificates of deposit, money market accounts, other marketable securities, negotiable instruments, commercial paper, vouchers, and rebates.

**Gifts:** Anything of value that an individual receives for which the individual has not paid for or performed services. These can include meals, flowers, candy, promotional items, cash equivalents, discounts, travel expenses, lodging expenses, and tickets to events.

**Special Occasion:** The period between Thanksgiving until the New Year. This period also includes celebratory weeks such as Nurse’s Week, Hospital Week, etc.

**Immediate Family Member:** Spouse, birth or adoptive parent, child, sibling, stepparent, stepchild,
stepbrother, stepsister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandfather, grandmother, and spouse of a grandparent or grandchild.

**Nominal Value:** Anything of value not exceeding ten ($10) dollars.

**Physician:** A Doctor of Medicine or osteopathy, a Doctor of Dental Surgery or dental medicine, a doctor of podiatric medicine, a Doctor of Optometry, or a chiropractor.

**Referral Source:** A physician, a physician’s immediate family member, an entity that is controlled by a physician or a physician’s immediate family member, or any non-physician who may be capable of making referrals to a Broward Health region or entity.

**Reporting Individual:** Any Workforce Member designated by Broward Health as being required to file a full or limited disclosure of financial interests pursuant to the Florida Code of Ethics.

**Workforce Member:** Any employee, independent contractor, agent, trainee, or other person who performs work for or on behalf of Broward Health. This includes full-time, part-time and pool employees; associates; directors; officers; managers; supervisors; members of the Board and members of standing committees; medical staff employed by or otherwise affiliated with Broward Health; medical students and all other affiliated students or others receiving training at any Broward Health facility; and others who provide goods or services to Broward Health.

### III. Policy

1. Workforce Members of Broward Health shall not solicit, receive, nor shall they allow others to solicit or receive on their behalf, gifts, gratuities, cash, cash equivalents, promotional items, or services from vendors, contractors, patients, physicians, or any other referral source or recipients of referrals from Broward Health except as otherwise permitted in the Gifts and Gratuities Guideline attached to this Policy.

2. Broward Health acknowledges that there are certain circumstances where a patient or a patient’s family will give gifts of nominal value such as candy or flowers to Workforce Members as a modest token of appreciation during the course of a patient-caregiver relationship or during a Special Occasion. Workforce Members should, whenever practical, politely decline these gifts and inform the patient or the patient’s family about the Broward Health Foundation and its programs. However, gifts of nominal value may be received as modest tokens of appreciation during the patient-caregiver relationship or during special occasions from patients and/or their family members provided they are not cash or cash equivalents; they are not intended to induce or reward referrals; the purchase of goods, or services; do not exceed ten dollars ($10) in value; refusing the gift could compromise the employee-patient relationship; and the gifts are reported to the Workforce Member’s immediate supervisor. In no circumstances can the aggregate value of gifts that a Workforce Member accepts exceed one hundred dollars ($100) per calendar year. If any gift exceeds the amounts indicated above, the Workforce Member and/or Workforce Member’s supervisor will report the occurrence to the Corporate Compliance and Ethics Department for further review.

3. Gifts received by Departments of Broward Health from patients, vendors, and contractors that are modest, infrequent, shareable amongst the Department, and perishable as tokens of appreciation or during a Special Occasion are permitted provided they are not cash or cash equivalents; they are not intended to induce or reward referrals; the purchase of goods or services, and the gifts are reported
to and approved by the Broward Health Corporate Compliance and Ethics Department.

4. Reporting Individuals and their spouses and minor children may not accept gifts of any kind value, regardless of how small, from Florida lobbyists or vendors seeking to influence, obtain, or maintain Broward Health contracts, business or procurement of services or goods. This policy does not provide guidance as to the Reporting Individual’s responsibility to determine what is reportable under The Code of Ethics for Public Officers and Employees found in Chapter 112 (Part III) of the Florida Statutes (“Florida Code of Ethics”). Nothing reported to the Corporate Compliance and Ethics Department pursuant to this policy exempts a Reporting Individual from their reporting requirements under the Florida Code of Ethics.

5. Exceptions to this Policy are rare and are allowed only if they are granted by both the respective facility’s CEO and the Chief Compliance Officer.
