6.1. Broward Health Single Audit (Presenter - Christopher L. Smith, CPA, Warren Averett)
Mr. Smith reviewed the Single Audit independent auditor’s report. (For details, please see pages 8 through 117 of the Meeting Book.)

**Two auditor reports were issued:**

  - No material weaknesses were identified.
  - No reportable non-compliance issues were identified.
- Report on each major program in accordance with the uniform guidance under the federal rules and the rules of the auditor general for the state of Florida (unmodified report).
  - No material weaknesses in internal control were identified.
  - No reportable non-compliance issues were identified.
  - Uninsured COVID Testing and Treatment was the major program audited this year.
  - Compliance opinion included in this report (unmodified).

It was defined that an unmodified opinion states that, in all material respects, the compliance requirements were met.

- A new paragraph was added in the current year’s report to note that the Children’s Diagnostic and Treatment Center (CDTC) engaged its own auditors to perform an audit of their federal and state programs.
- A new paragraph was added to the notes of the Schedule of Expenditures of Federal Awards, related to the Provider Relief Funds that the District received in response to COVID. Said information was excluded from the 2020 audit; however, will be included in the 2021 audit report.
- It was clarified that the section titled Schedule of Findings and Questioned Costs on pages 98-99 were brief summaries of the outcomes presented in the auditors’ reports.
  - This is the first year Broward Health qualified as a low-risk auditee since Warren Averett has been contracted with Broward (2016), indicating a notable improvement.

AND INTERNAL AUDIT OF NORTH BROWARD HOSPITAL DISTRICT
AMENDED AND RESTATED CHARTER OF THE AUDIT COMMITTEE AND INTERNAL AUDIT OF NORTH BROWARD HOSPITAL DISTRICT

Background and Role
The Board of Commissioners (the “Board”) of the North Broward Hospital District (the “District”), within subsection (c)(1) of section 3.12 of the Codified Resolutions of the Board (“Codified Resolutions”), established the Audit Committee as a permanent standing committee of the District and established the Internal Audit Department as an independent department with a Chief Internal Auditor. This Amended and Restated Charter of the Audit Committee and Internal Audit of North Broward Hospital District (“Audit Committee Charter”) amends and restates the original Audit Committee Charter adopted on August 27, 2006, as amended, and provides a blueprint for how internal audit should operate. This Audit Committee Charter establishes that it is vital that the District, as a special taxing district of the State of Florida, be held accountable for the use of public funds and apply sound management practices through established policies and procedures that conform with state and federal law, rules and regulations.

Mission and Purpose
The mission of the Audit Committee is to enhance and protect the District’s organizational value by providing risk-based and objective assurance, advice, and insight. The Audit Committee’s purpose is to provide a structured and systematic oversight of the District’s governance, risk management, and internal control practices. The Audit Committee assists the Board and the District’s senior management by providing independent advice and guidance on the adequacy and effectiveness of—and of potential improvements to—the District’s initiatives and practices for values and ethics; governance structure; risk management; internal control framework; oversight of the Internal Audit Department and external auditors; and financial statements and public accountability reporting.

Standards for the Professional Practice of Internal Auditing
The Audit Committee and the Internal Audit Department shall govern themselves by adherence to the mandatory elements of The Institute of Internal Auditors’ International Professional Practices Framework, including its Standards, Core Principles for the Professional Practice of Internal Auditing, Definition of Internal Auditing, and Code of Ethics, as amended from time to time and then in effect (collectively, “IIA Standards”).

Audit Committee Values and Communication
The Audit Committee shall conduct itself consistent with all state and federal laws that govern the District, as well as the District’s enabling legislation and charter (codified in ch. 2006-347, Laws of Florida and ch. 2007-299, Laws of Florida), the Amended and Restated Bylaws of the North Broward Hospital District (the “Board’s Bylaws”), the Code of Conduct of Broward Health, and Broward Health’s Policies and Procedures, all as amended from time to time. All communication with the District’s management and staff shall always be direct, open, and complete.

Scope, Authority, and Responsibilities
The Audit Committee shall discharge its respective responsibilities in accordance with this Audit Charter. The following authority and responsibilities are hereby established:

Audit Committee Organization and Structure
The following components, operational procedures, and membership and qualification requirements shall apply to the Audit Committee and its members:
1. **Audit Committee Composition, Offices, and Officer Selection.** The Composition of the Audit Committee shall be set forth in section 3.12(c)(1) of the Codified Resolutions and the offices and selection of officers shall be consistent with section 3.12(e) of the Codified Resolutions, all as amended from time to time.

2. **Meetings and Quorum.** The frequency of meetings of the Audit Committee shall be provided in section 3.12(c)(1) of the Codified Resolutions. A quorum of the Audit Committee shall be consistent with Art. III, s. 1.(b) of the Board’s Bylaws.

Minutes of the Audit Committee shall be promptly recorded and made available to all Board members and Audit Committee members consistent with Art. III, s. 5. of the Board’s Bylaws.

5. **Competency of Members.** Audit Committee members shall have sufficient competency to fulfill the roles of the Audit Committee.

6. **Independence.** Each member of the Audit Committee shall be independent and free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a member of the Audit Committee.

7. **Terms of Appointment.** Members of the Board shall serve on the Audit Committee and be appointed consistent with section 3.12(e) of the Codified Resolutions. The outside expert consultants of the Audit Committee shall serve at the pleasure of the Board and be appointed or reappointed annually at the Board’s Annual Meeting and may serve on the Audit Committee up to a maximum of four (4) years (consecutively or non-consecutively).

8. **Remuneration of Outside Expert Consultants.** The outside expert consultants of the Audit Committee shall serve without compensation but may be paid for traveling expenses consistent with § 112.061, Florida Statutes and the District’s policy governing travel and reimbursement expenditures.

Outside expert consultants shall promptly disclose any conflict of interest or any appearance of impropriety to the Audit Committee and shall be required to fully, accurately and timely complete all forms required by the District, including, without limitation, a Conflict of Interest and Financial Disclosure Form. If there is any question regarding whether an outside expert consultant serving on the Audit Committee should recuse themselves from a vote, the Audit Committee shall vote to determine the appropriateness of recusal.

10. **Orientation Training.** All outside expert consultants of the Audit Committee shall receive the same formal orientation training provided to Board members which shall include, without limitation, training on the purpose and mandate of the Audit Committee and the District’s Code of Conduct and Ethics. In accordance with section 2.7 of the Codified Resolutions.
Resolutions, the outside expert consultants of the Audit Committee must acknowledge receipt of compliance training and that they will comply with the District’s Code of Conduct and Ethics.

11. Attendance Requirements for District Employees. The President and Chief Executive Officer (“President and CEO”), General Counsel, and the Chief Internal Auditor, or their designees shall be required to attend all Audit Committee meetings to further the purposes, goals, and objectives of the Audit Committee, provide support and relevant information to the Audit Committee, and to assist in matters falling within the jurisdiction of the Audit Committee. The Chief Internal Auditor, or another appropriate designee, shall facilitate and coordinate meetings as well as provide ancillary support to the Audit Committee, as time and resources permit.

Authority of the Audit Committee

Consistent with this Audit Committee Charter, and as otherwise permitted by the Board, in discharging its responsibilities, the Audit Committee may request the attendance of employees of the District and relevant information it considers necessary to discharge its duties. The Audit Committee shall also, to the extent permitted by state and federal law, have unrestricted access to records, data, and reports. If access to requested documents is denied due to legal or confidentiality reasons, the Audit Committee and/or Chief Internal Auditor will follow the Board’s approved mechanism for resolution of the matter. The Audit Committee is also empowered to:

1. Request assistance from the District’s Office of the General Counsel or, to the extent that there is an actual or perceived conflict of interest, request the General Counsel to engage independent counsel following the approval of the Board.

2. Recommend to the Board the appointment and compensation of advisors and external auditors as necessary.

3. Review all audit and non-audit services performed by the external auditors, including the work of any registered public accounting firm employed by the District.
