Applicants must first apply for available assistance programs (examples include, but are not limited to, Health Insurance Marketplace, Medicaid, Medicare, Florida KidCare, etc.) and comply with the application process, in order to be deemed eligible for Broward Health financial assistance. Failure to do so will result in denial of the application or revocation of the approved financial assistance.

In accordance with the Federal Poverty Guidelines a qualified/approved applicant whose family income falls below or at 200% of the Federal Poverty Guidelines will receive full financial assistance with a \$10 or \$25 co-pay responsibility (depending upon income level).

Applicants must provide proof of United States citizenship or permanent legal residency and have resided within the geographical boundaries of Broward Health for no less than 30 days prior to the date of service to be eligible for financial assistance.
