Broward Health Coral Springs
Patient and Family Advisory Council

Broward Health Coral Springs values the partnership with patients and their families in their mission to provide the highest quality of care and experience.

Hearing about the lived experience and collaborating with our community connects us with the work we do and those we serve.

Patient and Advisory Council members volunteer their time and provide us insight. They help us stay focused to what matters most to patients and their families.

Council members may be involved with a onetime project or ongoing as needed based on areas of interest and availability.

If interested in being considered as a Patient and Family Advisory Council member please complete and submit the application. If you have specific questions, please contact Summer Marrero at 954.344.3187 or via email at BHCSPatientExperience@browardhealth.org.
