6.1. CFO Presentation (Presenter – Alex Fernandez, SVP, Chief Financial Officer)

Mr. Fernandez shared his monthly Chief Financial Officer Presentation that included financial detail for the entire Broward Health System, in which he highlighted that the organization was successful in meeting budget for the month of August.

An update of the District’s new initiative to reduce the Traveling Agency and Per Diem expense. In addition, Mr. Fernandez gave an update to a second initiative related to the Nurse Pool. This included, but was not limited to, number of applicants, fill rates and orientations. He further noted that the nurses in procedural areas are difficult vacancies to fill. In closing, Mr. Fernandez predicted that as of December 2022, it appeared very promising that there would be a 90% dependency reduction for ICU, ED, Medical Surgery and Telemetry Nurses.

6.2. 2023 Budget Presentation (Presenter – Alex Fernandez, SVP, Chief Financial Officer)

Mr. Fernandez reviewed and gave a high-level report on the District’s proposed budget for Fiscal Year 2023, which was aligned with the millage rate announced at the Special Board Meeting held July 20, 2022.

Mr. Fernandez noted that the District methodology in creating the annual budget is based on a three-year-trend operating statement, to define the operating loss, and then set the organization’s tax revenues equal to the operating loss. It was noted that District’s Manage Care contract rates do not increase as a result of inflation.
