

Message from Brian W. Kozik, CHC, CHPC, CEEP – Senior Vice President and Chief Compliance & Privacy Officer

I want to personally thank you for your role within the Corporate Compliance & Ethics Program. The success of Broward Health's Compliance Program rests with each and every one of you! I am proud to lead the compliance efforts at Broward Health and to be part of an ethical organization that values its patients and employees. As you know, the healthcare industry is highly regulated, and I want you to know that the Corporate Compliance & Ethics Department is here to assist you in navigating through any questions you may have related to any healthcare law, regulation or privacy issue. I am also excited that the tagline for the Corporate Compliance & Ethics Department was created by a member of our Broward Health team:

Integrity is the rule, compliance is the tool!
